## ACKNOWLEDGMENTS

To the people who helped with the meet may I extend my sincere thanks, especially Coach Bob Mc Guire of Pleasant Hill for his considerate assistance before and during the meet. There is no doubt in my mind but what Dan Foley Park makes for a truly fine course and with the weatherman cooperating it had to be a wonderful way for me to retire from a sport that has been really enjoyable in the true sense of the word.

But the meet is for the runners so to them, their coaches and their schools we congratulate the winners and place finishers. To the others, you did your best and that is all that is ever asked of an athlete. Good luck in the future and perhaps we shall meet again another day at another meet and I shall stand and watch knowing this has been a happy part of my life.

To Commissioner Phil Hempler and the division meet directors I personally extend my thanks for their cooperation. I regret the frosh-soph medals were mixed up but they are now in the right place and that is fine for 1970 cross country.
