The competitive time trial with the West Valley Track Club produced the fastest times ever for an opening meet on the 4.2 course. The results are encouraging but there is a job ahead for the team to be ready for the PAC-8. It would appear that we have more capable runners pushing for positions than ever before--our depth is good. The immediate concern will be a stiff challenge from Cal State Fullerton at the Sacramento Invitational. Fullerton has won the Long Beach Invitational, and over the past weekend defeated Long Beach State, San Diego State, and San Diego Track Club in a 6 miler at San Diego.
