Dear Coach:

The Northern California Track & Field Association will once again sponsor the selection of the All Northern California Cross Country Team.

As in the past, a committee of coaches will recommend the top runners in their area for the team. The team will be composed of 22 first team members, 22 second team members, and a honorable mention list.

You are asked to represent your section. Please submit to us the following information on the top runners in your area.

1. Section, Region, League, place.
2. Best time for two or three miles on the track (Fall 1971 only).
3. Head to head wins over top runners from other sections.
4. Grade in school.

Our selection meeting will be held on Tuesday, Dec 7, at the Menlo Atherton Boys PE office. Time: 7:30 to 11:00. If you can't make the meeting, be sure all information is in our hands before the meeting takes place.

Last year All Northern California patches were given to the 22 first team members. Also the top freshmen, sophomores, and junior runners of the year were given special recognition along with the "Runner of the Year".

Sincerely,

*Plato Yanick*
