SCORE: MA 25 - Alumni 32 (low score wins)

The 1971 edition of the MA Cross Country program proved to be stronger than anticipated, as the Bears downed a strong Alumni team by a 25 to 32 score.

Leading the MA team was John Barbour, the lone returning varsity starter from last year's team. John won the race in a fair time of 11:17.3. He was pressed by former teammate Deug Yeast most of the way, but pulled away from Deug in the final half mile.

Robert Arnold, and Rick Helmke came through for MA with surprising seventh and 9th place finishes. Both boys worked hard throughout the summer, and their superior condition paid off in the meet. Both boys are candidates for the "most improved" trophy to be awarded at the season's end.

Glenn Wemyss also showed promise with his amazing natural ability and placed 8th in his first cross country race ever.

Coach Yanicks also had praise for little Joe Shields who showed lots of courage in dueling alumnae Cam Miller over the last 200 yards of the race.

Next week, the Bears will host six schools. Starting time will be 3:15.
