The 1971 Track & Field News - U. S. Track & Field Federation Competition showed continued improvement in all divisions with four new records established.

High School Freshman, Mitch Kingrey of San Carlos, California, set new Two Mile (9:39.6) and Three Mile (15:10.0) marks. Another fast Frosh, Rich Buckstad (9:44.4) paced Hoover Junior High of Edison, New Jersey, to the second fastest time ever (52:57.6), only 16 seconds off the record.

Prior to 1971, only six varsity prep teams had broken 48:00 in the Two Mile Team Chase. This year, four teams accomplished the feat - Carlmont of Belmont, California (47:32.2), Lompoc, California (47:34.6), Mt. Pleasant of San Jose, California (47:51.6) and York of Elmhurst, Illinois, (47:53.0). Three Mile winner, Riverside-Brookfield of Riverside, Illinois posted the second fastest time to date, 75:08.4.

Terry Williams of Lompoc, California, set a precedent when he won both the Two Mile (9:00.4, second fastest ever) and Three Mile (14:07.0, new record)

The Florida Track Club established a new open record of 67:38.2, 56.8 seconds faster than the year old mark of the Oregon TC, Florida TC also swept the first six individual spots.

David Babiracki of Los Angeles Valley, set a new Junior College record with his 13:47.8 in the Occidental Postal Meet.

Frank Shorter and Jack Bacheler (both Florida TC) rang up the second fastest ever Two Man Ten Mile Relay when they combined for 41:37.6, 26.8 seconds off the standard set by Jim Ryun and John Lawson of Kansas in 1965. Wisconsin Frosh, Jim Fleming and Tom Schumacher missed the yearling record by .2 seconds with their 43:03.8. Keith Brown and Mike Tiene of Michigan won the University-College Division in 42:54.2.

High School Seniors, Mike Gilleran and Jim Eubanks won the prep division for the second year in a row with 44:42.6. Fastest High School Freshman were Morris Michelson and Rick Mc Kinnon of Lewis & Clark in Spokane, Washington.

This 14th Annual Nation-wide Competition was co-sponsored by Track & Field News and the U.S. Track & Field Federation. Any additions, corrections, or questions concerning next year's postal should be mailed to: Carl W.
