9TH ANNUAL ALLAN HANCOCK INVITATIONAL

Saturday, October 20, 1973

FINAL INSTRUCTIONS TO COACHES:

1. Please keep all runners off course during progress of other races.
2. Scoring Procedure: Each coach will receive an envelope for each race that you are entered in. The name of the school and the race is on the front of the envelope.

At the end of the chute, each runner will receive a slip of paper with his finishing place recorded on it. The runner is to take this slip to his coach as soon as possible. The coach will then record his finish position and FULL NAME in the proper space on the front of the envelope. The coach does this for each man in the race. He then places ALL of the slips inside the envelope, seals it, totals his team's score, and gives the envelope to the girls at the scoring table. A double check will then be made at this time for any errors.

Please be sure to PRINT the first and last names of all of your runners and to double check your addition.

The names of the award winners in each race will be posted immediately following each race.

3. Monitors will be stationed at various points throughout the course to make certain no wrong turns are taken.
4. Please instruct your runners to keep moving in the chute.
5. Awards will be presented at the end of each race.
6. Results will be sent out next week.
7. A line line will be used to mark the route of the course.
