HALF MOON BAY HIGH SCHOOL

DATE: October 11, 1973

TO: Richard Calvin

FROM: Donald Rye

REFERENCE: ARTICHOKE INVITATIONAL

Please accept my congratulations for once again organizing and presenting your highly successful Cross Country Invitational.

You have done most of the work, therefore should receive most of the credit. However, with its growth in size and perhaps difficulty in management, you may see the need for broader based involvement or support for next year. If so, please plan to meet with me so that we can incorporate into next year's plan sufficient clerical, supervisory or other assistance.

Once again, congratulations.
