SUBJECT: 1) Sanctioning of J.V. and Frosh races
2) Budgets for Meet, Regional & Sectional
3) November 30th Alameda Invitational

1) The requests of Regional and Section Meet Directors were forwarded to the Executive Committee for consideration of sanctioning of J.V. and Frosh races.

The answer is "No". The Frosh and J.V. races are not sanctioned for the same place and date.

2) Budgets for each meet will be determined by the local situation and should there be demands for rental, clean-up fees, police, etc. Please fill out the enclosed budget form and return as soon as possible. XCountry generally is a very low budget sport requiring expenditures for awards and meetings of committees. The CCS budgets approximately \$100.00 for all 5 meets, exclusive of awards and committee meetings.

3) The CIF has withdrawn sanctioning of the XCountry Meet scheduled as the Northern California Championships to be hosted by Alameda High School on November 30, 1974. Teams from the CCS may not participate in this meet. Please notify the coaches in the Regional and Section Meets.
