Jesuit Harriers 1st Team Depth Too Much For Section Foes

By Kim Huggett
Placing five men among the top 18 finishers, the impressive team depth of Jesuit High School yesterday won the varsity championship at the Sac-Joaquin Section Cross-Country Meet at Rusch Park in Citrus Heights.

It was Bella Vista's Jim Mebust, however, who earned the individual honors, outdistancing the team-race field by 50 yards

and devastating the three-mile course with a 14:59 clocking. Teammate Don Thomas was second. Jesuit, paced by third-place finisher Rod Read, also placed runners 11th, 12th, 14th and 18th for a total of 58 points.

In the varsity individual race, Lodi's Chris Koris placed first in 15:17 followed by Beyer's Royal Arroyal and El Camino's Tom Gagen.

Mills Junior High School picked up the freshman title; Bella Vista easily won the sophomore crown; and Downey edged Oakmont 55-58 for the junior championship.

The meet was the final competition for the prep runners. A Fresno invitation that would have amounted to a state-wide meet recently had its sanction removed by the California Interscholastic Federation.
