

CITIZENS SAVINGS ATHLETIC FOUNDATION

April 15, 1981

Mr. Plato Yanicks
Track Coach
Menlo-Atherton High School
Ringwood and Middlefield Road
Atherton, California 94025

Dear Plato:

I received your note of April 13 relative to the All Northern California Cross Country Team selections for 1980.

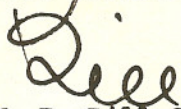

In a moment of turmoil, as our agreement with Citizens Savings and Loan was being terminated on December 1, I may have received the selections which you enlightened that you had sent to me, and I seem to recall that I may have written to you that we were unable to continue our granting of Northern California Cross Country Team awards. However, this may not have been true.

Now, Plato, I must enlighten you that we are unable to provide awards for the 1980 Northern California Cross Country Team members for we are somewhat operating in limbo -- until our new benefactor completely takes over.

Because of our limbo status it has been necessary for us to eliminate a lot of the awards which we granted previously, and I am sorry about this. Nevertheless, we did carry on selections for the sports of football and basketball, as we were obligated to do so because of our agreement with Citizens Savings.

Perhaps at sometime in the future we may have the privilege of considering the granting of awards for various high school sports as we have done in the past, but not until we are again back in full operation, and when we have again relocated in our new facility -- which may be sometime late this year.

Most cordially,

W. R. Bill Schroeder
Managing Director
