

WOMEN'S CROSS COUNTRY  
 NCAC CHAMPIONSHIP  
 Turlock, CA  
 October 22, 1983

A season long goal of beating the Chico State and Sacramento State teams became a reality when it counted in the championship meet. With the achievement the Humboldt State University Women's Cross Country Team placed third behind U.C. Davis and Hayward State, and qualified for the Regional Championship meet to be held in Rocklin next weekend. This is the fourth time in the last 5 years that the team has qualified for the regional meet, a record in which the team should be proud. Individually, Kathy Dolan, Sally Hunt, and Lori Ramirez ran extremely competitive races to help the effort, but the victory was definitely the team's as all seven H.S.U. runners finished in front of the number five runner for Chico.
