

WOMEN'S CROSS COUNTRY
REGIONALS
@ SIERRA COLLEGE, ROCKLIN
October 29, 1983

Three weeks of high emotion seemed to be too much for the H.S.U. Women's Cross Country Team. After two intense, high quality meets, "the well ran dry" in the third attempt. Humboldt was passed up by conference foes Sacramento and Chico; teams that H.S.U. beat in the conference championship the week before. It must be noted, however, that H.S.U. performed well when they had to - in the "championship" meet that got them to the Regional "qualifying" meet. The team should be happy with that and with its return to the regional meet after not qualifying in 1982. Individually, Cindy Claiborne, Lori Ramirez, and Suzzi Nielsen all finished their collegiate eligibility with positive races leading H.S.U. to a ninth place finish. Junior Kathy Dolan was top runner for H.S. U. overall.
