

MENLO-ATHERTON INVITATIONAL SEPTEMBER 29, 1986

Course: 2.2 miles

JUNIOR-VARSITY RACE

Lynbrook and Half Moon Bay were tied with 34 points.

Lynbrook wins because of a faster sixth place runner, who was Pierre Abdul-Malak. Good going Pierre.

BOYS VARSITY RACE

Lynbrook finished second behind Half Moon Bay. HMB has an excellent team, and may be the # two team in the section; however, we were too far back. Los Altos was third and Palo Alto fourth. Other teams were Menlo-Atherton, Menlo, Wilcox, Santa Clara and Sequoia. Several varsity runners ran very well, while several had a very poor race. We still have a long way to go yet, if we hope to compete with Homestead.

Miller, Joel	12	<u>11:00.7</u>	85 time 11:44
Utter, Garth	11	<u>11:04.8</u>	
Hiatt, Eric	11	<u>11:06.4</u>	85 time 11:17
Pietrowicz, Steve	12	<u>11:43.3</u>	85 time 11:01
McElravey, Toby	12	<u>11:44.2</u>	85 time 11:54.7
Yuen, Mark	11	<u>11:45.8</u>	85 time 11:49
Seck, Matt	10	<u>11:59.2</u>	85 time 12:36

Underlined times mean improvement over last year's time on the course. Joel Miller has to be the runner of the week. Great job after being beaten last week.

GIRLS VARSITY RACE

Lynbrook was fourth behind, Palo Alto, M-A & Wilcox.

Hurd, Colleen	12	13:44.2		
Maloney, Kieran	10	14:38.1	85 time	15:08
Thayer, Janice	12	15:13.9		
Yacoub, Rosie	12	15:43.2	85 time	15:08
Srikantiah, Padimi	10	19:02.5	85 time	NT short course

The girls run better than they did at Leigh. If we can get everyone running, we will continue to improve. Colleen's time was the fourth best on that course behind Seck, Danning, & Membreno.

FROSH RACE

Lynbrook was the winner with 46 points, because we were the only school to have a complete team. M-A and P-A had some good runners, but you need five across the finish line for a team score. The frosh team should be much much much better when every-one is running. Let's get it together for the Foot-hill meet on Friday, October 17th.

O'Jea, Amil	12:41.9
Carpenter, Lew	12:48.0
Likins, Krag	12:52.6
Moyer, Bill	14:17.4
Hetrick, Tim	14:40.4

Amil ran very well. He looked as if he was racing the entire race. The coaches hope that all our other cross country runners were watching him, because there are several that need to copy his style of racing the entire distance.

The varsity team for Stanford is as follows:

Miller, Utter, Hiatt, Park, Gunby, Pietrowicz, & McElravey.

The junior varsity team for Stanford are the following:

Yuen, Seck, Kessel, Pardini, Hsia, Abdul-Malak, and Braunstein. O'Brien and Allen are next in line if anyone becomes ill.

The teams for the Serra Invitational on October 11th will be made up after the Stanford meet.

EACH RUNNER TO STANFORD NEEDS TO PICK AN INFORMATION SHEET THIS WEEK. EACH RUNNER NEEDS TO KNOW JUST EXACTLY WHAT IS HAPPENING AND WHEN.

Foothill (St. Francis) is Friday October 17th, which is homecoming. Frosh at 2:30 pm; F/S girls at 3:00pm; Sophs at 3:30 pm; juniors at 4:00pm; Junior/Senior girls at 4:30pm and Seniors at 5:00pm. Awards at 5:30pm. We will need parents to pick up frosh & f/S girls after their races.
