Dear Coach:

On September 16th we would like to invite you and your team to our first annual Freshmen/Novice Invitational. The race will be held on our campus and it will be run on a flat, highly visible two mile course. We hope that this meet can be used to encourage young, novice runners to compete since this will be a non-scoring, low-key meet. It will give them a chance to run a distance in which they will be sure to finish and with other runners with the same experience. We will keep times on all the runners.

There will be separate races for the boys and girls, who are freshmen or novices. we will also provide refreshments for the runners after their races. There will be a minimal charge of \$5.00, made payable to St. Francis High School, perschool. You may enter as many runners as you wish provided they fall into the appropriate categories..

If you are interested, please return the bottom portion of this letter and check to :

Thank you for your support and good luck with the season ahead, we hope to see you soon.

Sincerely,

*Roberta Chisam*
