## COLORADO

**Boys:** A.J. Campbell, 5A titlist for Grand Junction, will defend his crown. Fort Collins is a 6A power again.

**Girls:** The fabulous Melody Fairchild has gone on to the University of Oregon, leaving the field wide open. Let's hope the best young talent is not burdened by comparisons with Fairchild.

## CONNECTICUT

**Boys:** Xavier is led by state 5th-placer Greg Swift and should have the depth to regain the state title from Staples while repeat-

ing as New England champion. Vastly improved New Britain returns its entire 3rd-place team and could threaten for top honors.

**Girls:** Defending state champ Liz Mueller of Waterford (see feature story) heads some top talent that includes state and New England runnerup Erin St. John of Bethel, plus soph Leslie Almeida of Wolcott. State champ Wilton has 5 of 7 back while St. Bernard, with its top 4 returning, along with Bethel should be strong contenders.

## FLORIDA

**Boys:** Buchholz, ranked 11th in the country in '90, returns most of the team that won the 3A with a mere 40 points while 4A titlist Leonard has everyone back. Both squads could be national powers. Also strong is Bishop Kenny in 2A. Randy Hollinger of

Buchholz and soph Luis Prestes of Miami Beach are top individual contenders.

**Girls:** Future star could be Ilana Simons of Ransom Everglades, a former racewalker who ran a 5:08 1600 in her first year of running, as a junior, and has been working hard over the summer. Cardinal Newman moves from 3A to 2A and should be a threat in that division.

## GEORGIA

**Boys:** Westminster loses 4 of 5 from its nationally ranked team but does bring back 3A champ Eric O'Brien, who won by 24 seconds in '90. The 4A defender, Parkview, has most of its guns back, led by Jeremy Hauch, and could be a regional power. Lassiter's 1-2 punch of Ben Boyd and Jason Spicer lead the 4A.
