PLEASE DON'T ENTER ANY OF YOUR TOP FIVE MALE RUNNERS IN THE J.V. RACE.

Large School Division

A school with an enrollment of 1200 or more is considered a large school. Schools with all one sex are counted large if they have an enrollment of 600. Three-year high schools are considered large when they have 900 students.

Finish Chute Operation

As runners finish, they will surrender their name tags to the clerks at the end of the chute. Runners should keep moving in the chute.

Facilities

Lavatories and showers are located in the locker rooms. Use your own towels and locks. Restrooms for men and women are located near the entrance to the library.

Food, drinks, and other sweet things are available behind the football stands about 100 feet. Oh, and Gatorade too!

Noise Abatement

If your runners MUST have music, please ask them to hike to the beach or find some remote location. Also, throwing frisbees or footballs in a crowded area like this one is a public nuisance.

Name Tags

Please ensure that each of your runners has a name tag (adhesive label) on her/his uniform before the start of the race.

Team Awards

A plaque will be awarded to each winning team, and a medal will be given to each member of a championship team who did not otherwise receive one.

MAY WE ALL HAVE A SUCCESSFUL DAY.
