PR's are course and distance specific. PR's are not indicated the first time the course is run. * "Rank within Div" is based on order of finish within Div (i.e. V, JV, FS). * "Rank within School" is the order of finish of all runners at that distance. * "PR Chances" are the number of times this season a runner has run a course that he has previously run. * All Time Ranking numbers are only assigned for the longest distance race at each course. At most races, all divisions run the same distance, but when that is not the case, only the longest race is given a Rank. * "Top 3 Teams" consider varsity only.
