N.B. The division 1 girls let us down this year at the CCS meet. They Swept the first 9 places in 2013 but just the first 6 places this Year. They redeemed themselves somewhat by getting 8 of the top 10 spots.

11 teams qualify for the State Meet in divisions 1 and 2 and the SCVAL got 6 of them - 5 from the DAL and 1 from the El Camino.

2. League Meet Discussion:
 - A. 2015 league meet director will be Kirk Flatow of Monta Vista
 - B. Do we want to keep the same starting time for the first race?
 - C. Do we want to continue the same procedure re whether to have two races in some divisions – that is, each league will decide for itself at our pre-season meeting what to do?
 - D. Any comments re the league finals.

3. CCS Discussion:
 - A. Any comments.

4. Holding Three Additional Meets Procedures:
 - A. Do we want to run the three meets at the same sites as last year – Central Park, Crystal Springs – Sunnyvale Baylands

 - B. Who will be the meet director for these races? *Same as 2014*

6. Any other items that the coaches desire to discuss.

7. Should we continue to hold our post-season league meeting within a few days after the CCS finals finals?
 - (A) If we propose a CCS change, it cannot be proposed to the CCS at the year-end CCS meeting until approved by our Commissioner.
