

## SCVAL Championship

We now have a SCVAL XC Championship how-to binder! So ANYONE can take over the directorship...☺

### Status of budget/funding

- We are in the second year of Rotary's funding for the Varsity award plaques
- Heritage Bank of Commerce has funded the team championships t-shirts for all Varsity, JV and Frosh Soph divisions
- Olympic Trophy has re-signed as a \$250 sponsor (back of meet t-shirts)
- **Would like to get two or three additional \$250 sponsors**
  - Physical therapists, parents with local businesses, others...

Please consider supporting our t-shirt supplier!

Elizabeth Rich 408-216-5037 [Elizabeth@plaque.com](mailto:Elizabeth@plaque.com)

Plan on doing all the same things we did last year:

- Nice bibs
- Medals for runners that earn all-league status in all divisions
- T-shirts for 7 members of championship teams of all divisions and plaque for team

### Race Day T-shirts

- As last year orders will be in advance of meet and shirts delivered at the meet.
- If athletes from any school purchase 30 or more shirts the school will:
  - Have the team roster printed on the back of the shirt
  - Can select the color of the shirt (school color if you want, or anything—if your girls want pink shirts, you can have pink!).
    - Printing will be white on whatever color is selected
- For schools with rosters of 40 or less, we will make the cut off 20 shirts
- I will send out links to the ordering site and a draft cut-and-paste email message within the next week, and reminders to you every other week or so.

## Race Day Schedule

- We thought last years' schedule worked well.
  - There was a concern about what to do if there was a delay in an early race, impacting the later races time and potentially running in to sunset
  - Contingency plan would be to combine DAL and EC varsity races and sort out the scoring later
  - Sunset times are same as last year so schedule should not be impacted
    - 2014: 5:09 sunset/5:36 twilight
    - 2015: 5:10 sunset/5:37 twilight

### Race Schedule *(everything moves up 15 minutes)*

	EC	DAL
FSB	<del>2:00PM</del> 1:45	2:15PM
JVG	2:45PM	3:00PM
VG	3:30PM	3:45PM
VB	4:15PM	4:30PM
AWARDS CEREMONY		5:00PM

### Heats:

- Varsity Races: There will be a scoring (1st heat) and a non-scoring (2nd heat) heats for both the VG and VB races. There will be a maximum of 7 runners per school in the scoring heat.
  - The scoring runners names must be sent to Hank Lawson in advance of the meet (Hank will notify the coaches of the required date). The non-scoring 2nd heats of each of the varsity races will start 1 minute after the first heat.
- El Camino FS Boys Race: Due to the expected size of this race, there will be a first and second heat. There will be a maximum of 15 runners per school in the first heat.
  - The names of the runners in the first must be sent to Hank Lawson in advance of the meet (Hank will notify the coaches of the required date) in order for all runners to be properly timed. The 2nd heat will start 1 minute after the first heat.

All other races are planned to run in a single heat. If entries in any of the other races is larger than anticipated, the coaches will be polled by email in advance of the meet to determine if multiple heats are desired.

JVG and FSB: Last year the number of runners was:

	DAL	EC
<b>JVG</b>	94	97
<b>FSB</b>	113	81+73 (154)
<b>VB</b>	49+57 (106)	49+106 (155)
<b>VG</b>	49+28 (77)	49+20 (69)
