HIGH SCHOOL INFORMATION

DECLARATIONS (NEW FOR 2016):

FOR STATE AND NATIONAL SANCTIONING PURPOSES, ALL TEAMS MUST DECLARE THEIR INTENT TO COMPETE BY September 2, 2016.

[CLICK HERE TO COMPLETE THE INTENT TO COMPETE FORM](#)

**** THIS IS A NECESSARY STEP IN BEING ACCEPTED INTO THE 2016 STANFORD INVITATIONAL ****

**** THIS STEP IS IN ADDITION TO REGISTERING YOUR TEAM ON EZMEETS.COM ****

TEAM DIVISIONS/RACE ASSIGNMENTS:

California high schools compete in the division your school has been assigned to by your section. For out-of-state high schools, please use the approximations below in effort to give you an idea of the division your school is. However, please check with your principal or athletic director for your schools division.

- Division I – (2101 or more)
- Division II – (1651 to 2100)
- Division III – (1151 to 1650)
- Division IV – (600 to 1150)
- Division V – (599 and fewer)

Teams WILL compete in their respective division. Please note, it is the responsibility of the high school coaching staff, NOT MEET MANAGEMENT, to enter your team correctly. Competing in a division below where your student population has you placed can result in disqualification from the meet. If you want to be considered for the seeded races, indicate your interest when you register at EZMeets.com.

FIELD SIZE:

In order to safely manage the number of athletes, we will cap the field size in each race to a maximum of approximately 40 teams and/or 280 athletes. Teams will be chosen on a first registered (via EZMeets), first accepted basis. The seeded race will include a maximum of 40 teams. **Teams may run a MAXIMUM OF SEVEN (7) ATHLETES PER RACE.**

TEAMS IN SEEDED RACE:

If your high school team (5-7) athletes qualifies for the seeded race, meet management *may* allow for a second team (Maximum of 7 athletes) to run in your schools varsity division race – this is first registered, first accepted basis. Therefore, if your team qualifies for the seeded race and would like to run an additional team in the varsity race, please email stanfordxinvite@gmail.com to discuss potential options.
