\* Due to the fact that there will be a softball game on the field that we use for the start and finish of our meet, this field must be cleared by us by 6:30PM. This means that Julie must run a tight schedule. So, if you estimate that any of your frosh boys, soph boys, or JV girls will run slower than 25 minutes, please enter them in the Varsity boys and girls #2 races. We have to hold up the start of all races until the prior race is completed because the start and finish lines are near each other. The 9/26/17 date is contingent upon the city of Santa Clara approval.

	<u>El Camino</u>	<u>DeAnza</u>

#### c. Time Schedule

We did not agree at our post-season league meeting last year upon a schedule for 2017 The 2016 schedule was as follows --

	<u>DeAnza</u>	<u>El Camino</u>	
JVG	1:45PM	2:00PM	Unlimited
FSB	2:30PM	2:45PM	Unlimited
VG	3:15PM	3:30PM	Max 7 Scoring
VB	4:00PM	4:15PM	Max 7 Scoring

As per our agreement at the 2003 post-season meeting, the DeAnza league will run first in 2017 and the El Camino league will run first in 2018.

There are no limits on the number of runners who may run in the JVG and FSB races. Our bylaws allow each league to run all of its FSB and JVG together or to run a 2nd heat for these races.

Each league should decide at this meeting whether to run one or two FSB or JVG races. This is a separate decision by each league. As an example, one league could run one FSB race and the other league could run two FSB races. If a league chooses to run two races, our past practice has been to start the 2<sup>nd</sup> race 2 minutes after the first race. Also, our past practice has been to limit entries in the first race to 15 runners. If we run two heats of these races, our past practice has been to score just the runners in the first heat but we are not required to do this by our bylaws. We can combine the times from both heats.

Our bylaws state that junior and senior boys and senior girls who cannot compete in the varsity races because they are not in the top 7 for their varsity teams may compete in a 2<sup>nd</sup> heat. It has been our practice to start the 2<sup>nd</sup> heat one minute after the start of the first varsity heats.
