Subject: FW: Results of PAL XC Meet with Aragon - Burlingame - San Mateo on AHS 2.4 mile course

Thank you for coming to Aragon today for the first PAL Meet of the season! I hope you and your athletes enjoyed their experience on our campus XC course.

Below are the results of today's races. I have to apologize to you , Ernesto as both your last boy in and last girl in were not captured by the timer. Not sure why if either were close to a teammate around the time they received you will be able to have good idea of their time.

Also, congrats to BHS Freshman Cora Haggarty for an outstanding debut. And Ed congrats to Hyato for a great run!!!

We subscribe to a system called XCStats for the last 11 years for both XC and T & F! Below are the team results for the Boys and Girls. I sent in the straight listing and order the race finishing times with athletes names and school typed . This is just one of the reports it creates. In it is the athletes finishing order in the race, name, time and pace per mile. Then it scores the meet. I think if you click on anyone of my athletes name it may take you to the history of their career at AHS for XC & If they run track that history as well.

Again thanks for a great day of XC.
