EVALUATION MEETING: **Tuesday, December 3, 2024 @ 7:00pm**

IMPORTANT NOTICE TO ALL PARTICIPANTS AND COACHES:

The CIF-Central Coast Section is well aware that many other school and non-school activities (AP tests, SAT/ACT tests, proms, plays, holidays, senior trips, religious days, etc.) may occur during CCS Play-offs. The CCS tries to avoid as many conflicts as possible; however, with so many activities available for today's student-athlete, it is not reasonable to assume that all such activities can be taken into account, and thus, CCS Play-off events will go on as originally scheduled. Participants and coaches are therefore expected to plan in advance for such possible scheduling conflicts and make those difficult choices as to which events will take precedence for that individual. Generally, although it is ultimately the personal choice of the student-athlete and/or his/her parent(s), an academic activity should take precedence over an extra-curricular event.

Neither the CCS, nor the host site is responsible for your team member's personal property. Teams should NOT assume that there will be "full time" supervision of team areas; therefore, it is incumbent upon teams to make their own arrangements for safeguarding their personnel's valuables.
