

WATSONVILLE HIGH SCHOOL PRESENTS THE:

TOM LEIKAM XC INVITATIONAL PINTO LAKE COUNTY PARK

Saturday, September 21, 2024

It is our privilege to invite you to the inaugural Tom Leikam Invitational at Pinto Lake County Park. Created by Coach Leikam in 1981, the original course is regarded as an historic and well respected course in the southern region of the Central Coast Section. Races will be held on a new [modified 3 mile course](#) with an improved start & finish to accommodate a larger, more competitive field, while still maintaining the original course's integrity, challenges and character. This is a Varsity and Frosh Soph meet. Because of time constraints, this first year, we will have two races only. The first race will be Varsity and Frosh-Soph Girls combined. The second race will be Varsity and Frosh-Soph Boys combined. Team and individual scoring will be done separately. We plan to have three divisions (Var, JV, FS) for each gender starting next year.
