## SUMMARY

1969

## SUMMARY - 1969

I must admit when I discovered that Dave Chamness had moved during the summer, any thoughts of a successful season disappeared. This is understandable since Dave was North Coast Section Champion last year in the Sophomore Division.

However, we still had Dan Anderson and would build the team around him with Al West (the only other boy returning with varsity experience), Bob Robinson (with only JV experience), and Gary Turpen, Scott Wood, and Rick Reed up from the frosh. Steve Derr had shown promise as a freshman but was continually bothered by injuries. Our 1968 JV team was composed mostly of seniors and our frosh team had no other outstanding runners so the 1969 prospects were not real bright.

What happened? Scott Wood and Rick Reed ran much of the summer and were in good shape when they reported in September. Dan Anderson ran over 700 miles during the summer and was in top condition at the start of the season. Scott and Rick along with talented Bob Robinson joined Dan to form the nucleus of the 1969 team but we still needed a good 5th man.

Steve Derr ran much of the summer and appeared to be just who we were looking for when a foot injury sidelined him in the crucial early days of practice. Randy DeValle had also run much of the summer and had improved tremendously since last year and was making a strong bid for that 5th position.

Al West and Gary Turpen were the ones we were really counting on; however, neither worked out much during the summer and were not ready when the season started. Al was also hampered by a continual respiratory illness during the early season. Rick Riddle, a transfer from Mission San Jose, was our 5th man during the early meets and was eventually replaced by an improving Gary Turpen.

Dan was in a class by himself and Bob was not too far behind; but the real key to our success was the closeness of Rick, Scott, and Gary. This combination with the support of Al, Rick Riddle, Randy, and Steve, lead Castro Valley to an undefeated season and first dual-meet championship.

The story of our successful season does not end there however. The JV team lead by Mike Brown, Rich Silva, and Mike Fesler, compiled an 8 win and 2 loss record and placed 2nd in the league. Also running on the JV team were: Mike Dunn, Barry Menges and sophomore Rich Anderson. Steve Barnett and Dwight Hooper were latecomers on the JV's.

Our outstanding Frosh-Soph team was lead by Freshman standout, Tim Rose, and sophomores Gary Dutra, Marvin Soo Hoo, and Tom Dolfino. These four were aided by another freshman standout, Mike Rudy, and: Mike Lemaster, Jim Phillips, John Anderson, Bob Miller, Chuck Rogo, Leo Schmidt, Mark Prichard, Art Sims, Blake Cooper, Mike Arne, Ken Miller, Greg Silva, Brad Sundeen, Ted Thiel, and Phil Fesler. Also, Nick Marquart, Al Mosier, and John Spikula.

The strength of the Frosh-Soph team was shored-up at the league and division meets by dropping sophomores Steve Derr and Randy De Valle down from the varsity. The team of Steve Derr, Tim Rose, Marvin See Hoo, Gary Dutra, Randy De Valle, Mike Rudy, and Tom Delfino placed 3rd in the Division I meet and placed 10th at the North Coast Finals.

Our 1969 team was a young team. Of the 42 team members, only 4 were seniors. We will miss our seniors, particularly Dan Anderson for his inspiration and leadership. Danny is not the worlds greatest runner but he may be the hardest worker. He has left his mark in the cross country annuals and in the hearts of his teammates at Castro Valley.

1970, here we come!

## SUPERIOR CONDITIONING AND OUTSTANDING EFFORT DEFEAT ARROYO

Even before the frosh race was half over, some of the Arroyo boys had to stop and walk including some of their top runners. In the varsity race, two of their boys did not finish due to a fast first mile and an inability to cope with the few "uphill" portions of our course.

The fact that we "came to run" is born out by the large number of "personal best" times we recorded. It was a great team effort.

Hard work and desire pay off!

## SUPERB TEAM EFFORT DEFEATS LEAGUE-CHAMPION TENNYSON

Who said we would never beat Tennyson? Who would have known that our varsity team would improve over 30 seconds per man on the average. The average improvement per man of the JV and Frosh was 23 seconds per man. Does hard work pay off...you bet it does. This was Castro Valley's first win ever over Tennyson. How did we do it? We knew Dan would fight it out for the lead with Milan and Arisman and we hoped Bob, Rick, and Scott would stay close together. Their 6, 7, and 8, place finish showed they accomplished their goal. The real key to victory was our 5th man. Gary, staggering from a fast early pace, hung on and out sprinted Padilla of Mt. Eden for 14th place and cinched the victory.

Our primary strategy was to beat Mt. Eden and ignore Tennyson. We figured Arisman to be ahead of Dan, and Quinones to be ahead of Bob, Rick, and Scott; so far we figured right. We also thought that Mt. Eden would take the next three places and, if Gary could come in right after their 5th man, we could beat them by 1. Gary beat their fifth man and we beat them by 4. If their 5th man would have beaten Gary in that last 100 yard sprint, the final score would have been: Castro Valley 39, Tennyson 40, Mt. Eden 41. They can't get much closer than that. If Al could have run maybe it wouldn't have been so close after all.

Twenty-two of twenty-four recorded personal best times. That's what I call competitive spirit and that is the mark of a champion. Competitive spirit and team pride can take us a long way. Keep it up.

## TEAM DEPTH LEADS TO VICTORY AT PLEASANT HILL

Dan Anderson finished 7th but Bob Robinson, Rick Reed, Gary Turpen, and Scott Wood were close enough behind to be victorious over 22 other schools in the open division. This is the first time a Castro Valley cross country team has ever won a meet of this size. Next year they will probably want to put us into the "championship division".

Although times cannot be compared on our course, they can be compared to 2 mile times on a track. Particularly good performances were turned in by Steve Derr, Tim Rose and Mike Rudy (both Freshmen).

Since everyone ran the same course, it is interesting to note the compared times of everyone. For example, Steve Derr ranks 5th over-all and Tim Rose ranks 6th. Marvin Soo Hoo is 8th, Gary Dutra is tied with Marvin, and Mike Rudy is 12th. We knew our underclassmen were strong and this certainly emphasizes the fact.

We talked about a total team effort last week...how about this... Our Freshman team was 5th out of 16 schools; our sophomore team was 2nd out of 25 schools; our JV team was 11th out of 24 schools; and the varsity was 1st out of 22 schools. The sophomore team of Steve Derr, Randy DeValle, Tim Rose, Gary Dutra, and Marvin Soo Hoo and Tom Delfino won individual medals and a trophy for the school. The varsity team of Dan Anderson, Bob Robinson, Rick Reed, Gary Turpen, Scott Wood, and Rick Riddle also won individual medals and a plaque for the school.

Great team spirit was demonstrated at Pleasant Hill. Everyone took pride in the varsity's victory and the fine showing of our other teams. Everyone knew that Castro Valley was there.

PLEASANT HILL SUMMARY

| <u>RANK</u> | <u>TIME</u> | <u>NAME</u>  |
|-------------|-------------|--------------|
| 1           | 10:15       | Dan Anderson |
| 2           | 29          | Robinson     |
| 3           | 43          | Reed         |
| 4           | 50          | Turpen       |

## SPARTANS DOMINATE ARROYO INVITATIONAL

Although there were only six schools competing, no school should have dominated a meet as we did at Arroyo. We won the Frosh Reserve Race with Tom Delfino placing first followed by Mike Lemaster, John Anderson, Leo Schmidt, Blake Cooper, Mark Prichard, Ken Miller, Brad Sundeen, Art Sims, Greg Silva, Ted Thiel, Nick Marquart, and Phil Fesler.

In the Varsity Reserve race, Rich Anderson placed second and was followed by fast finishing Mike Dunn and Barry Benges. No school entered 5 men so no one won the official scoring.

We completely dominated the Frosh Relay as Randy DeValle got an early lead that stretched into nearly a quarter of a mile as Steve Derr finished. Gary Dutra, Marvin Soo Hoo, and Tim Rose all picked up ground on their opponents.

The JV Relay team placed 2nd with anchor man Al West having the best over all time. Mike Fesler ran one of his best competitive races. Rick Riddle, Mike Brown, and Jim Phillips rounded out the team.

Our strategy in the varsity relay was to go out fast and get an early lead and hang on to it. Dan Anderson started us out with a good lead and Gary Turpen added to it. Scott Wood held his own and Rick Reed finished fast to give our anchor man, Bob Robinson, about 175 yard lead. Could Bob hold that lead against Milan of Tennyson and Metcalf of Arroyo? For some reason Metcalf ran the third leg against Scott Wood so was not available in the anchor seat. That left the race up to Robinson and Milan. Milan caught and passed Robinson with about 600 yards to go but as they came out of the pine grove Bob was leading by a step and finally won by 10 yards. Although Dan's time was the best, Bob's race was definitely his best competitive race of the year.

Once again our team pride was quite evident. As Bob finished there were over 30 Spartans waiting for him and by the sound of the cheer you would have thought we just won the world championship. Let's keep that spirit up for all of our teams from the Frosh, JV, and Varsity. Also, let's not be "cocky" in victory but let's win graciously. Deeds are proven by actions not by word of mouth. We don't get anywhere by talking a good race, we have to run one.

## ARROYO RELAYS - SUMMARY

### 1½ Mile

|       |                |
|-------|----------------|
| 9:26  | Dan Anderson   |

| 15:07 | Greg Silva    |
| 15:11 | Ted Thiel     |
| 15:35 | Nick Marquart |
| 15:46 | Phil Fesler   |

## PRIDE AND DETERMINATION LEAD TO SWEEP

### AS WE TAKE H.A.A.L. LEAD

The rain may have slowed down our times but it couldn't dampen our determination to be Number 1. We had a goal; we knew who we had to beat, and we went out and did it. Everyone did such a tremendous job that the final score wasn't even close. Our first 6 finished ahead of both Sunset and Hayward's 4th men respectfully.

Dan set such a fast pace that even Voetch (State 2 Mile entrant last year) couldn't catch him. Bob beat Shane and Scott and Rick were right behind. Those were real important points. Gary and Steve (who is improving rapidly) both finished ahead of Drummond and that was the meet. Rick R., Alan, and Randy all finished ahead of Hayward's 5th man; that's 9 ahead of their 5th.

Our JV's may be thin in numbers, but they're tough. Rich Silva had a tremendous effort and improved his personal best by 28 seconds (although he didn't run last week). Mike Fesler went out a little too fast but hung on and Mike Brown ran his 3rd good race in a row. Rich Anderson, Mike Dunn, and hard working Barry Menges all beat Hayward's top man. That's 6 ahead of their 1st.

The Fresh continue to run roughshod over everyone. Last week they swept the top four places. We took their best up to varsity so they counter by sweeping the top 7 places with 10 finishing ahead of Sunset's top man. It looked like we were the only team in the race. How does this sound, we had 17 who finished ahead of Sunset's 5th man; and 14 finished ahead of Hayward's 5th man.

Why all of the sudden success? How have we managed to come so close to the League Championship? One of the reasons is that, as a group, we aren't afraid of hard work. Not only are we running from 4 to 6 miles each afternoon, but many of you are running from 10 to 20 miles on the week end. Also, of the 9 who ran varsity yesterday, 6 are consistently at morning workouts. Three of the top four fresh runners and our top JV runners are all at morning workouts. We could do better. We have only two more weeks of morning workouts and I still have about 6 caps left.

Once again, great team effort from our number 1 man to our last man. Only San Lorenzo and Marina stand in the way of our first dual-meet championship, but we must beat them both.
