6TH Pleasant Hill Invitational

The 6th Annual Pleasant Hill Invitational Cross Country Jamboree was undoubtedly

the best of the series despite the absence of defending champion Tom Hale of Carmolindo and the last moment "no-show" of Central Valley powerhouse Cordova High. Not only did the meet feature the North Coast Champion Diablo High successful defense of their four titles won last year, but a highly successful introduction of the collegiate forces left both the high school athletes and coaches as well as the large spectator group thoroughly impressed. Due to the rains of yesterday, the course was somewhat slower, yet Chris BOURKE of Livermore just missed the Fresh-Soph standard by a mere 9 tenths of a second, while Canyon High's Ron ~~Luschar~~ LUSCHAR missed the JV mark by only 5 seconds. Special Varsity winner, Diablo's Brian KING recorded the second fastest time ever in the meet's history and the 3rd fastest ever recorded on the Ram's 6 year old course which has seen 1 DVAL and 1 North Coast final as well as the six Invitationals, plus many duals. Hosting Pleasant Hill kept their string alive in the Varsity, having never finished out of the top 3 teams, with their fine second behind Diablo today. Diablo, in winning the George Kennedy Memorial today, matched the hosting Rams for Varsity titles...with two apiece. Wales contribution to America, Eastern Washington State's Bob MAPLESTON, played a cat and mouse game with the famed Gerry LIDGREN, who had only two days work in the past two weeks due to Achilles tendon problems, only to pull away in the final mile and win in a most impressive 24:23...going through the two mile in 9:38!
