SPARTANS CAPTURE 2ND STRAIGHT H.A.A.L. TOURNAMENT CHAMPIONSHIP

On a beautiful sunny afternoon our Spartan harriers edged a tough Tennyson team to capture our 2nd championship in a very close and hard-fought contest. that was eventually decided by a surprise, come-through performance.

Things did not go well at first as Tennyson completely dominated the Reserve race and then in the Frosh-Soph race they edged us by 2 points. Doug Hall ran the best race of the year as did Mark Larson, however, Gene Rodgers was not himself and finished back in a disappointing 11th place. Kevin Rudy continued to run well and placed 9th and our 5th man was Ken Haubrock who finished 16th.

In the JV race, Tennyson once again prevented us from winning. Randy DeValle and Marvin SooHoo ran away from the field and finished in grand style as they held hands during the last 50 yards and finished in a tie for first. Tennyson took the next 4 places and edged us 26 to 32. Mitch Wright was 7th, Gary Dutra was 10th, and Blake Cooper was 12th but it was not good enough to beat Tennyson.

By the time the varsity race came around it was obvious that Tennyson had been beating us every time we turned around. In fact the entire league tournament appeared to be a dual meet between Tennyson and Castro Valley with Tennyson winning every time.

We said that if we were going to win the varsity race one of our top runners would have to beat Tennyson's 2nd man and two of our runners would have to beat their 3rd man. As the race progressed it was evident that Tennyson's 5th man was dropping back however they had 4 runners in the top 15...so did we. The question now became "who could get their top 4 across the finish line first."

Les Kuller surprised everyone as he ran the best race of the year as he beat Tennyson's 1st man to finish 7th overall. Tom Delfino ran his usual steady race and finished 2nd for us finishing ahead of Tennyson's 2nd man and taking 10th overall. Tennyson took the next two places and would have taken the next three except for Tim Rose's personal duel with Tennyson's Arisman where Tim ran just fast enough to beat him for the second time this year. Tim finished 13th, Arisman was 14th and Mike Rudy Rudy and Ken Miller finished 15th and 16th in that order. Barry Parr was our 6th man but he finished ahead of Tennyson's 5th man and that was the meet. The final score was Castro Valley 61, Tennyson 67 and Mt. Eden next with 87.

All in all it was a very strange year. We thought we had the strongest team we have ever had with tremendous depth. We were partially right in that Delfino, Rudy, Rose, Miller, Kuller and finally Parr all took turns finishing as our number 1 man in various meets and that is quite unusual. The depth was certainly there however there was no outstanding individual as a Scott Wood or Danny Anderson.

Injuries played a major part in the season. Barry Parr, Mike Lemaster, and Ken Miller were all injured before the season even started. Barry was just rounding into shape at the Division meet as he finally reached the potential which he showed last year.

Tom Delfino was our most reliable and consistent runner. His only "bad" race was his last one at Division where he took a bad fall and never recovered. Les Kuller was our real surprise this year as he improved steadily throughout the season and eventually played a major role in our 2nd tournament championship. However even Les came up ill after the league meet and was unable to work out sufficiently for Division.

On top of all these problems we lost our number 1 runner after the second meet of the season as Steve Derr, a team captain, decided he would rather "ride in style" than "run for fun".

On the Frosh-Soph level there were similar problems. Freshmen standouts Kevin Rudy and Ken Haubrock were continually bothered with hip or leg problems and Gene Rodgers, our top Sophomore, came up ill after the league meet and was unable to run at Division. Our 3rd man, Mark Larson, sprained his ankle after the league meet and was also unable to run at Division.

With all of these problems it is a wonder we were able to repeat as League champions and run our undefeated league dual-meet string to close to 40. Congratulations to all for a very successful season which produced a combined total of 30 wins and 5 losses.

We will miss our seniors who have been with us so long and been such an important part of our success these past 3 years. We have some fine prospects returning and we look forward to another successful year in 1972.
