To: "Peter Brewer" <pcb@internet-frontier.net>

Peter:

The CMC results are posted after your note. If there is a problem with the transmission, please let me know and I will send them again. For your information, Willits won the Boys championship. Going into the CMC Meet, Lower Lake(6 points) and Fort Bragg(6 points) were tied for first and Willits(5 points) was in third. We have a format where you are awarded 3 points for 1st at the league meet, 2 points for second, and 1 points for third. Thus, when Willits won the CMC Meet and Lower Lake came in second, Willits and Lower Lake ended up as Co-Champions. I will send you the newspaper articles via FAX and mail on Friday. Other than that, I will see you on Saturday.

Rico
