Eureka dominated every aspect of this race,  
 from the individual to the team levels. Senior  
 Dale Kitt took command from the gun, going on to  
 win by 115m in 15:22. South Fork's Dillon Wyant  
 held off a late-charging Shaun Lyle (Eureka) for  
 2nd, both stopping the chronometers at 15:44.  
 Eureka poured in from there, accruing a team-time  
 of but 79:42, better even than its year 2000  
 team-time of 80:08. Besides Wyant, the lone  
 non-red, green and white vested harrier to crack  
 the top seven was deceptively diminutive Arcata
