Record Setting Day at Castro Valley Invite !!

The 16th running of the Castro Valley Invitational saw a slew of records set. A mild and breezy day seemed to be perfectly conducive for running. Jacque Taylor of Casa Grande (Petaluma) took her third consecutive win in dynamic fashion winning in a course record 18:07. This took down the 18:13 previous standard set in 1996 by Carondelet's Kristen Gordon, who went on to be State and National Champion that year. Taylor was chased by Colleen Lillig of California (San Ramon), who herself ran an excellent 18:21 to climb to 4th overall on the all-time list on the course.

The boys' race was no less eventful as Liberty's Wyatt Landrum ran to the 2nd best-ever time on the Canyon course with his 15:51 victory. That trails only the legendary Calvin Gaziano of Castro Valley (15:35 in 1984) and puts him ahead of such luminaries as State Champions Jon Stevens (Mission San Jose), Yong-Sung Leal (Arroyo of San Lorenzo) and Celedonio Rodriguez (Elsie Allen of Santa Rosa). Rory MacLeod of Santa Rosa gave Landrum chase the whole way to finish 2nd in 16:09. This was good for 11th overall on the all-time course list.

Castro Valley swept the team titles, and the girls' squad team time of 100:51 took 19 seconds off the former team time standard set by the College Park team of 2003. (That College Park team went on to be State Champs in D-II, but only ran 3 of their top 6 here at Castro Valley). The Castro Valley boys raced to an 85:47 team time, good enough for 7th all-time on the course.

Note: For comparison purposes, the Canyon course runs slower than the Woodward course. For boys, the differential tends to be 40-45 seconds slower, and for the girls it is 60-70 seconds slower. -- Peter Brewer
