Nike Team Nationals

Portland Meadows Racetrack

Portland, Oregon

Saturday November 4, 2010

Castro Valley was well represented in this National race, with Ben Eversole and Erich Coulter running in the Open Race, and Kelsey Santisteban earning a spot on the line in the Championship Race by virtue of her superb State Meet race. Kelsey becomes the first CV girl to make a national race, and only the second CV athlete ever. Calvin Gaziano ran in the Footlocker National finals in 1982 and 1983.

Championship Girls' Race

5K

(199 finishers)

37. Kelsey Santisteban 19:50

Kelsey had a modest start but made up ground in the third mile. Here she attacks the straw bale barricades in mid-race.

Open Boys' Race

5K

(128 finishers)

2. Ben Eversole 16:53

22. Erich Coulter 17:48

Ben ran under the banner of the Bronco Track Club, as he and Erich joined forces with a group of Northgate runners and together placed 5th in the team scoring. Ben held back a bit and then ran down runners to the very end. Erich held on to a strong position up front the whole race.

Even in the unfamiliar red uniforms, Ben and Erich finish their seasons with strong races.
