

Thank you for coming to the third annual Willy's Road Race. Race day was bright and sunny with temps in the 50's. We had 141 finishers in the 1 mi. race and 276 finishers in the 5 mi. race. This year's race was a giant success because of the generosity of so many people! St. William's School owes special thanks to Suzanne Boysen of Rancho Travel and the Rancho Merchants Association for contributing our grand prizes of two trips to San Diego for the San Dieguito Half Marathon Feb. 7. These trips were won by Mike Fanelli and Margaret Fischer.

Many other merchants contributed prizes to our awards ceremony and we are very grateful. Converse donated ten pair of running shoes, T-shirts, and loaned us race equipment. Emerson Darling donated our Master's Prize of a Reno Vacation Package. Mimi St. Clair won that prize.

All the runners appreciated the prizes valued over \$1600 which were distributed at our awards ceremony. Yet, as one runner commented, "The Willy's Race is well organized too! The course is flat and fast. And, it's an event for the serious as well as fun runner." With favorable comments like that, count on St. William's School sponsoring the Willy's Race every January!

Listed in alphabetical order are all the stores and organizations who made the Willy's Road Race possible. Many thanks to all!

RACE SUMMARY

Runaway victories and course records characterized this year!
5 Miler. Glynn Reynolds, an Englishman doing post graduate w
Stanford, blasted away from the starting line to amass a 30 y
in the first quarter mile and then gradually stretched the 1e
almost 150 yards at the finish as he set a new course record
Last year's winner, Brock Hinzmann, took 10 seconds off his p
record, but his 24:46 only earned him second place. Ulrich K
decimated the over 50 record by over three minutes with an ou
26:52.

In the women's divisions, Marilyn Taylor-Allen waited patient
the two-mile mark and then asserted herself by moving out to
course record of 28:36, 50 seconds faster than Vicki Bigelow'
record. Second placer Nancy Ditz was also well under the old
at 28:43. Juana Stavalone (30:58) and Elisabeth Ross (37:02)
established records for their respective divisions of sub and
master.

**Number to right of division letters denote the place within his/her division.

**Unknown runner--did not turn in tag.
