Best Records Made by American College Men

The National Collegiate Athletic Association has created a Records Committee. It is the duty of this Committee to pass upon all new claims for records. Mr. A. A. Stagg, University of Chicago, is Chairman of the Committee. In case of a claim for a record, the parties concerned should communicate with Mr. Stagg.

The attached list of best records made by American college men is the list that has been passed upon and accepted by the National Collegiate Athletic Association Records Committee. It will be noted that practically all of the holders of world's records were college men. In fact, only five world's records are held by men who were not college athletes. The records indicated with a star are the best college records, but not world's records.

Cross-Country in the Missouri Valley Conference

Cross-country in the Missouri Valley Conference was marked by the outstanding performance, throughout the season, of Iowa State College at Ames, Iowa. This college won all its dual meets by decisive scores and wound up its season in the Valley by winning the Missouri Valley Conference run at St. Louis with 29 points, and two weeks later placed third in the Western Conference run with 62 points. Honors for second place in the Valley were evenly divided between Kansas and Missouri Universities, although in the annual dual meet between these two ancient rivals, Kansas won, 26 to 29. Missouri won three out of four dual meets and placed third in the Valley run. Kansas won two out of three dual meets and placed second in the Conference run.

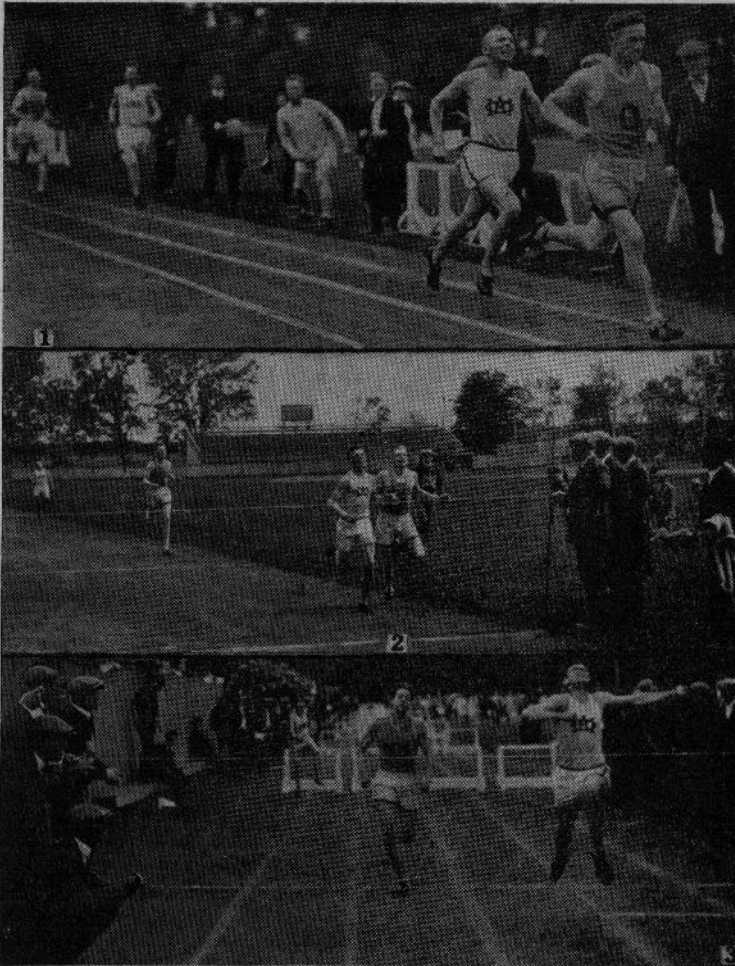

More interest was aroused over cross-country at Drake University than ever before. Although defeats were met at the hands of Washington and Grinnell, all men performed well and made very creditable time over the courses. Washington University of St. Louis and Nebraska University both had inexperienced teams and as a result lost most of their dual meets, each winning one out of three. Washington finished fifth in the Valley run and Nebraska sixth. Grinnell won both of her dual meets from Valley teams, but was not entered in the Conference run. Oklahoma had no cross-country team. A summary of meets, with scores, follows:

Washington ... 21	Drake 34	Grinnell 21	Washington ... 34
Washington ... 34	Grinnell 21	Grinnell 17	Drake 38
Washington ... 36	Missouri 19	Drake 34	Washington ... 21
Missouri 18	Nebraska ... 37	Drake 38	Grinnell 17
Missouri 19	Washington ... 36	Nebraska ... 37	Missouri 18
Missouri 19	Central Coll... 36	Nebraska ... 40	Ames 15
Missouri 29	Kansas Univ... 26	Nebraska ... 26	Kansas Agri... 29
Kansas Agri... 25	Kansas Univ... 31	Ames 15	Nebraska 40
Kansas Agri... 29	Nebraska 26		

In the Missouri Valley Conference run, held November 11, 1922, at St. Louis, the teams finished as follows:

1. Ames 29	4. Kansas Agri. 93
2. Kansas 75	5. Washington 96
3. Missouri 92	6. Nebraska 102

Prospects for next fall are exceptionally bright. Ames will lose from last season's team Captain Rathbun, one of the best distance runners in the country, and Seaton, who led the Ames team at the Missouri Valley meet. Ames will retain Hollowell, Brown, McIntire, Bierbaum and Holcomb. The prospects are that Ames will again turn

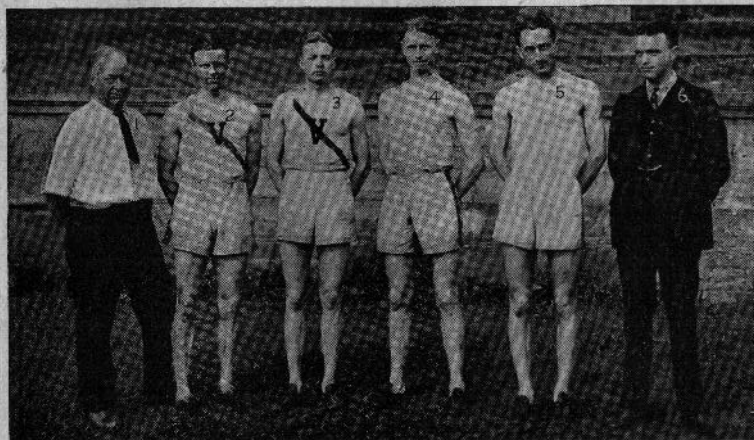

(1) 380-YARD RUN—Gurney, Ohio State, winning from Brendel, Michigan Aggies, 1m.59 1-5s. (2) 440-YARD RUN—Ernst, Michigan Aggies, winning from Everitt, Ohio State, 50 1-5s. (3) 220-YARD LOW HURDLES—Ernst, Michigan Aggies, winning from McCreary, Ohio State, 24 4-5s.

(1) Rohrer, Purdue, winning a heat in the 100-yard run. (2) Start of the mile race; won by Furnas, Purdue, second from left.

SCENES AT INDIANA CONFERENCE TRACK MEET, 1922.

out a team that will be up to average, although it will be a long time before another man of the caliber of Captain Rathbun is developed. Grinnell's team was composed wholly of sophomores and juniors and all will be back next fall. Drake also expects a strong squad, as her team also was composed of sophomores and juniors. Elliott, a freshman at Drake, is looked to as one of the coming premier harriers of the Conference. Missouri's team are all eligible for one more year. Last season's team had only two men who had had any previous experience in cross-contry, but Missouri will have one freshman who is an extra good man, eligible for 'varsity next fall. Kansas University and Kansas Aggies may both be counted on to have good teams. Henre, captain of the Aggie team and winner of the Valley run, will be lost to the team by graduation and his place will be hard to fill. Prospects at Nebraska are only fair, due to the graduation of several members of the team and lack of material in the freshman class.
