This trade mark means much to you

It answers your question, Why should I buy athletic goods of A. G. Spalding & Bros.?—or

What do I get for my money when I buy Spalding goods?

Like the Rock of Gibraltar, it does not talk, yet it stands for much—permanence and dependability.

The Spalding Trade Mark on any article of athletic equipment is a guarantee that the materials are the finest, the workmanship the best, the prices fair and the design as modern as nearly half a century of progressive development can make it.

It says to you—Spalding's Athletic Goods are the best. There are no better made.
