* * * * Note: It is interesting to note the progress made in high school relay racing during the past 25 years or more – a circumstance which calls for proper credit to Southern California high school track and field coaches, for their progressive coaching methods, as well as to the athletes who have established new records as the seasons have passed.

In 1911, the Manual Arts High School Track and Field team won the Eight-Man One Mile Relay event with a time of 3:47.4.(City Meet.) By comparison, the Jefferson High School Eight-Man One-Mile Relay team established a new meet record in. the Los Angeles City Meet, last year, (1937) with a mark of 2:58.2. This record is considered the world high school mark for the event. The Jefferson High School team, coached by Harry Edelson, won the Los Angeles City Meet Eight-Man One-Mile Relay with a mark of 2:58.4, just 2/10 of a second short of the world record for the event. Twenty years, ago, in 1918, the winning time for the Eight-Man One-Mile Relay (City League Meet) was 3:11.8, 13.4 seconds slower than was made by the Jefferson High School team this year.

SOUTHERN CALIFORNIA'S HIGH SCHOOL TRACK AND FIELD COACHES FOR 1938

Note: An attempt has been made to obtain the names of all high school Track and Field coaches in Southern California. Questionnaires were sent to each high school in Southern California for the purpose of gathering such information. Failure to list certain schools and coaches in this directory is due to the fact that questionnaires were not completed and returned to the Foundation - it being impossible to obtain information elsewhere.
