This booklet, which contains listing of best performances made by Southern California's foremost junior college and high school Track and Field athletes for the 1939 season, and additional prep school Track and Field data, comprises the Third Annual Helms Athletic Foundation Prep School Track and Field Record and Honor Roll.

All records and data listed herein have been taken from sources which are believed to be correct and complete. In that connection, Helms Athletic Foundation takes this privilege to extend heartiest thanks to those who have cooperated in providing information— particularly Southern California Junior College and High School Track and Field Coaches; Bill Hayes, Track and Field Historian; Seth Van Patten, Commissioner, C.I.F.; William Lopez, Los Angeles City Schools; William Yount, Redlands High School; Frank Wykoff; Gordon Kishbaugh, Azusa Herald; E. F. Hartmann, Compton High School; A. B. Ingham, California Interscholastic Federation; Dan O. Root, Armijo High School, Fairfield, and others.

Helms Athletic Foundation also takes this opportunity to extend sincere congratulations, as well as thanks, to Los Angeles' daily newspapers — Daily News, Evening News, Examiner, Herald Express and Times — for having so completely covered Southern California Prep School Track and Field during the 1939 season, for much of the data appearing in this booklet was checked through such source.

Heartiest thanks, of course, is also extended to Robert Lipkis, Sports Historian, who has rendered valuable services in compiling data and assisting with the preparation of this book — cooperation which Robert Lipkis has given for the past three years.
