

1964 Olympic Games

The 1964 Olympic Games will be held in Tokyo, Japan, October 11-25, 1964.

Among the fortunate spectators will be members of the Track & Field News Olympic Tours (TAFNOT). Experience gained at Helsinki, Melbourne and Rome, as well as at other international meets, means that TAFNOT members once again will have the best. TAFNOT's position as leader in the track tour field assures its members of the tops in leadership, in contacts, in arrangements, and in track-minded companions.

Preliminary arrangements, as of Jan. 1962, indicate that accommodations in Tokyo will be excellent. We already have reservations with first class hotels; air space is booked on jets; and tickets for excellent seats have always featured our tours.

Prices can be estimated on the basis of current air fares and quoted hotel sightseeing rates. Exact dates of the track competition have not been set, nor have ticket prices. But it is possible to establish tentative itineraries to allow members to plan well in advance.

The following three tours are subject to refinement but will be the basic tours available. Costs should not vary much more than \$50 unless there is an increase in air fares, which constitute the largest portion of the cost.

15 DAY TOUR \$1175
Three days in Hawaii, 11 days in Tokyo.

22 DAY TOUR \$1410
Three days in Hawaii, 11 days in Tokyo, 4 days elsewhere in Japan, 3 days in Hong Kong.

29 DAY TOUR \$1495
Three days in Hawaii, 17 days in Japan, either in Tokyo for the entire period of the Olympics, or part of the time touring Japan. 4 days in Hong Kong, 3 days in Manila, Philippines.

All tours include round trip jet air from any West Coast city of departure; first class hotels with private bath; transfers and sightseeing; choice tickets to all 8 days of track; some meals; two TAFNOT Celebrity Banquets; and specials. Additional independent travel, including around the world, may be arranged.

DEPOSITS may be made now and will assure a preferred position on one of the tours. An initial deposit of \$50 per person is required. Another \$100 will be due before Jan. 1, 1963 and another \$100 by Jan. 1, 1964. Final payment will be due Aug. 1, 1964. Additional deposits may be made at any time. In order that the many costs of cancelled reservations need not be passed on to tour members these cancellation fees have been established:

On cancellations made before Jan. 1, 1963, a charge of \$10 per person.

On cancellations made during 1963, a charge of \$25 per person.

On cancellations made during 1964, a charge of \$50 per person, plus whatever expenses we must bear because of the cancellation.

Other Tours

1963 PAN AMERICAN GAMES

These Games, participated in by the U.S. and all other western hemisphere countries, are scheduled for Sao Paulo, Brazil, in April, 1963. The T&FN party will see the Games and take the great circle tour of both coasts of South America. Details will be sent when ready to all who request them.

BRITISH COACHING SCHOOL

Fifteen Americans have been given special permission to attend the famed British AAA Coaching School at Loughborough, England, in August, 1962. All students in the two-weeks school will participate in each of the events, learning by doing. Leading the group will be Fred Wilt, editor of Track Technique and former distance star. Cost will be about \$650, including round trip air from New York, full room and board while at the school, tuition, and some special activities. Limited to first 15 to send \$50 deposit. Full details on request.

Past Tours

Over 600 track fans have attended international track meets under Track & Field News leadership--three Olympics (Helsinki, Melbourne, Rome)--two Pan Am Games (Mexico City, Chicago)--two British Empire Games (Vancouver, Cardiff)--one European Championships (Stockholm).

1962 European Championships

Europe holds its continental track and field championships every fourth year and a Track & Field News party will be on hand in 1962 to witness this great meet which ranks second only to the Olympic Games.

Every country in Europe will send its top stars to Belgrade, Yugoslavia, for the Sept. 12-16 meeting. Both men and women will participate in a full schedule of Olympic events.

Track & Field News offers its readers an innovation in its popular international track tours. For the first time the T&FN group will join track fans from Britain, adding additional flavor and interest to an already exciting tour.

Three tours are offered. All start from New York, pause in London to meet our British friends, and proceed to Belgrade either by train or plane. After the stay in Belgrade one of the tours returns directly to London while the other two visit the beautiful Adriatic resort city of Opatija.

The tours officially end in London with return air transportation provided to New York. These arrangements have been made so that those wishing to linger awhile in Europe may do so. Individual arrangements following the Belgrade stay can be made at additional cost.

Tour leaders will be provided either by Track & Field News or by Athletics

Weekly, the British track magazine.

Tours vary in duration and cost. All include round trip jet air from New York to London, air or train to Belgrade and return, hotels, first class tickets to the Games, transfers, one of the famed T&FN Celebrity Banquets, all but a few meals, sightseeing, 30 rides anywhere in Belgrade via bus or trolley, and T&FN tour specials.

Accommodations in Belgrade are in a new student dormitory for Tours A & B. These facilities have been inspected by our British representatives who report that "members will be thoroughly pleased". Double rooms on the ground floor are most suitable for couples. Tour C will be housed in a class A hotel, which is available to Tours A & B for \$48 extra.

Frequent buses will operate from the dormitory and hotels to the stadium. Vouchers will be issued for all meals which will be available at many hotels, restaurants and the stadium.

Deposits

A deposit of \$200 is required. Final payment is due August 1. A complete refund, less \$25 cancellation charge, will be made until August 1. Afterwards, any actual costs for unsold tickets, hotel deposits, etc., must be born by the cancelling tour member.

TAFNOT Track & Field News Olympic Tour

Leads the Way to Tokyo

GO WITH TAFNOT

TAFNOT is more than just a chance to see the Olympics—as grand an experience as that is. TAFNOT means the famed Celebrity Banquets, sharing the contacts of Track & Field News staffers, and association with like-minded tour members, including athletes' wives and parents, sports writers, and noted coaches (past tours have included such coaches as Dean Cromwell, Jesse Mortensen, Payton Jordan, Bill Easton and Oliver Jackson). TAFNOT also means special identifying pins and emblems, the know-how of experienced Olympic tour arrangers and leaders, the camaraderie of track fans from all parts of the U.S. and from other countries. TAFNOT means the best in Olympic tours..

WHY A TOUR?

Conducted tours are preferable to individual travel because:

1. Tours, by advanced planning, often have air and hotel reservations and tickets the individual cannot obtain.
2. They are cheaper.
3. All arrangements are made for you, without bother or cost.
4. You have companions of like interests.
5. You have planned activities, but plenty of free time if you desire it.
6. Olympic Games are better enjoyed in the company of friends.
7. All problems of transfers, baggage handling, reservations, etc., are handled for you.

CELEBRITY BANQUETS

Highlights of the last three TAFNOTS have been the Celebrity Banquets. You join Olympic athletes and other personalities for dinner, hear them tell of their experiences. In Rome, for instance, you would have met Peter Snell, Bill Nieder and Dallas Long, along with two dozen other track notables, including the head coaches of the U. S. and Russian teams. Other tours have hosted Bob Mathias, Bobby Morrow, Parry O'Brien, Chris Chataway, Herb McKenley and many other greats of the track world.

REGULARLY SCHEDULED AIRLINES

Flights are via world renowned Pan American Airways and Japan Air Lines jets. These are regularly scheduled flights. They are NOT charter flights.

TOKYO HEADQUARTERS

TAFNOT will establish headquarters at one of our Tokyo hotels. There you will find the services of tour leaders, a representative of our travel agent, and agents of the Japan Travel Bureau who will assist with sightseeing and travel throughout Japan.

HOTELS

Good hotels are used throughout. All rooms have private baths and twin beds and all Tokyo hotels are well located in the downtown area.

RYOKANS

Ryokans, or Japanese inns, offer uniquely Japanese lodgings and service to the traveler seeking to better know the country and people. TAFNOT has a limited number of rooms in a well-located typical Tokyo ryokan and they will be allocated, as requested, on the basis of date of reservation.

FREE TIME?

Yes, you'll have plenty of opportunity to go your own way. You will find much to do with the group in either organized activity, or with whatever plans you may cook up with your new found friends. But the "official" schedule is not heavy, allowing you all the time you need for individual sightseeing, shopping, and entertainment.

EXTENDED TOURS

Additional travel at the end of your tour may be arranged with our travel agent. There is no need to return home with your tour as your air ticket is good for a year. But travel arrangements must be made in advance as this will be a busy time.

SEE JAPAN

All tours allow lots of time to see Tokyo, and most present ample opportunity to visit other areas of Japan. Using your Tokyo hotel as home base you can take one-day or overnight trips to such key attractions as Nikko, Hakone, and Nara-Kyoto. Full details of available trips, costs, and reservation procedure will be furnished all tour members.

TICKETS TO OTHER SPORTS

All tour members will have tickets to all eight afternoons of track and field. Tickets to morning track (if necessary) and to other sports can be ordered via TAFNOT. Tours in Tokyo during opening and/or closing ceremonies will include tickets to these events.

EXPERIENCE COUNTS

Ever since the Helsinki tour of 1952 TAFNOT has led the way to the Olympics for Americans. Exactly 330 TAFNOT members—by far the largest group to see the Olympics under any U.S. management—have taken advantage of Track & Field News experience and contacts to enjoy the Games in the best possible manner.

YOUR HOSTS

On hand to share the Olympic joys with you will be most of the Track & Field News staff, including Cordner Nelson, Bert Nelson, Dick Drake, Don Potts, Roberto Quercetani, and Fran Errota. Additional tour leaders will come along to help with your problems and guide you through a memorable experience.

PRICES

Prices are based on air fares in effect Oct. 1, 1963, and include \$45 worth of first class track and field tickets for all afternoon events. Prices are subject to any change in air fares and to an increase in ticket prices should the Organizing Committee decide to issue a single ticket good for both morning and afternoon.
