June 6, 1992

Dear Class of '73

For some of us, 20 years ago may seem like a lifetime, for others, it feels like it was just a short time ago. Some of us have been together as recently as our 15 year reunion. Still, many of us have not seen classmates since who knows when. Well, here's your chance to find out what has happened to all the people you have wondered about over the years.....our 20 year reunion.

Because we are all so busy and are widely scattered, we thought now would be a good time to begin soliciting feedback, and start the planning process for our 20th anniversary next year. There are a number of items we would like you to consider and respond to. The following page contains a questionnaire regarding such things as:

possible dates, types of events, price ranges, volunteers, "lost" classmates, etc.

Please complete the form and return to Hank Lawson by July 15, 1992. Once we have reviewed the responses, we will send out a formal notice of what the popular choices are, along with all the details by Sept 1, 1992.

If you have any questions or special ideas, please feel free to contact any one of us. We look forward to hearing from you soon!

Thanks,

Jane Alhouse	(415) 857-0116

Dear Gunn Grads,

We need your help! As you can see, we have about 150 alums that are missing. The reunion committee has done as much as we can to track these folks down and now we need your help as well. If you know where any of these people are, please send us their name and address so we can send them info on Gunn's 20 Year Reunion party. The names with a "#" next to them have become "lost" since the 15 year reunion. Names with a "." next to them have been lost since the 10 year reunion or before. Hope you can help us out.
