MARI GUNN KAUFFMANN June 1993

I'm happily married to Ken Kauffmann. We have 3 children: Kaitlin, who is 5 years old, and her 2 fraternal twin brothers, David and Robert, who are 2 1/2 years old.

We all reside at 2466 Vivian St., Lakewood, Colorado 80215.

Our home phone number is (303) 235-0442 and my office number is (303) 236-5494.

Ken and I both work as "Domestic Engineers at the Kauffmann Institute of Sleep Deprivation, Insanity and Chaos." Both of us also work 40 hours per week as "Civil Servants" at the U.S. Geological Survey in Denver. Ken's title is "Research Photographer" for National Mapping Division. He makes Topographic maps and things like that. I'm a "Publications Graphics Specialist" (computer drafter) for Geologic Division's Branch of Central Technical Reports. I draw things like this for USGS scientists:

....and things like this for baby announcements at home in my "spare time" just for fun.

And because I'm a mother of twins, I take my turn publishing newsletters like this for the local twins club, in my "spare time" of course....

Here is the Kauffmann Family.

PRESIDENT'S MESSAGE

Dear Mothers of Multiples,
Once again our clothing sale was an incredible display of hard work, cooperation and organization. I heard several comments from shoppers on how well organized it was. I want to thank all those who participated on the committee as well as the sellers that worked at the sale.
Our calendar is getting full. We have several events coming up as well as an AMI play group being arranged by Anne Emmons. I'm glad to see the enthusiasm. Do you think it has anything to do with that week of warm weather? Shame on all those that didn't get out to a park with their kids that week.
I know it's hard to listen to the same requests over and over but we do need to get some volunteers for next year's committees. It can be a lot of fun and the feeling of accomplishment is great. You benefit so many members by helping out on even just one committee.
I hope all of you are able to attend at least one of the up and coming events we have planned. I've heard a lot of requests for more socialization...here's your chance! Enjoy!
Twinklers,
Tina
