Dear Hank,

As Paul and I were leaving the picnic, Mike Jurian said we should have a Gunn reunion on his boat, as he is the 'Floating DJ'. I don't like the idea of him working during our party, so perhaps he could MC part of the time, and have a compadre play the music?

South Lake Tahoe is another good idea, and we really should take a poll on it. There is 24 hour entertainment, cheap lodging, and I can check through our five-star resort for banquet facilities, etc. They have dances and wedding receptions there all the time! You really must see this place. I didn't really get a chance to talk to the reunion committee much about my get-away offer, but the offer still stands. You need to see it to believe it. (I'm going to check for a website-they may have one) Off-season there is September-October-early November, so think of those dates for the reunion. (No tourists, less crowding, GREAT weather, and lower rates on *everything*.)

If we had the reunion there, and people were staying at Harvey's, Harrah's or the Horizon, there is a free shuttle that could take them back to their hotels. (no DUI's!) If they want to continue partying, as some wanted to do on Saturday night, the casinos are open 24-7, as are the restaurants. Licensed and bonded childcare is available at my resort, as well as most of the hotels. In addition, there are many daytime activities not involving casinos for those who don't gamble. (horsebackriding, boating, hiking, golf, etc.-or depending on the time of year, winter sports) My resort has an outdoor pool and jacuzzi in addition to the whirlpool spas in each suite, and a tennis court - on the roof!

I know I live kind of far away from the Bay Area, but I remember being on the 'official' committee for the first two reunions, and I'd really like to play a more active role in the planning of the next reunion. While locating 'lost sheep' is a valuable service, if we do decide Tahoe is the place to go, and our resort is the location to party, I'll be making most of the arrangements. (been an owner there since 91, and I can keep the costs down-I know folks in Management!)

Catch your breath from this last weekend, I'll keep my membership in Classmates.com current. Plan on joining Paul and I in Tahoe for a weekend - probably sometime this fall. I'll arrange for us to have a suite that connects and sleeps 8, or two suites that sleep 4, (the smallest suite) so you and Marcia have a suite all to yourselves. When I have Mom all settled in her new apartment, we'll show you this place, and you'll love it!

Thanks for all your work on the reunion!

Robin & Paul

p.s. hate to be a grouch, but the first 21 jpegs on that cd were blank... (oh well)

also, could you send me all of the reunion committee's email address's so I can send them Tahoe invites? Same for Mike Jurian. Thanks!

A quick, clear understanding.

3/24/03

Dear Hank:

Way to go! Thank you very, very much for keeping the class of 73 reunion string of victories reunion events unbroken and glorious.

I am RSVP-ing that I will be there with bells on, June 28th. Note I've purchased two dinners. I am planning on coming solo (w/o family). My extra dinner is insurance in case one of my pals forgets or we need more food, etc.

I've checked your fine work on the web site and was amazed at all that is out there! Thank you.

I also appreciate all the hard work this involves and want to thank you, the first of many I'll pat on your back, for the committee work, time money and plain old b.s. you all have done to keep this rolling. Thank you thank you!

I will also take complete, unqualified and extravagant responsibility and credit for our class reunions. Low, those many years ago I mentioned to Jane Alhouse (Gee) that, "Jeez, we haven't seen anyone for awhile. We ought to get everyone together. Lets have a reunion. I know, how about a Gunn H.S. Class of 73 reunion?"

This was in the late- spring of 1973. I'm not kidding! I loved our Gunn years and was sad to graduate and mentioned this to Jane.

Obviously, I talked to the right person and, later we formed a committee. The Holiday Inn P.A. was the site of a pretty wild night, as I recall, for our 5-year get-together.

Now, thanks to you and so many more, we have a tradition of reunions that acknowledge our days of rebelling against tradition. We do this in a most traditional way, a reunion. Wow.

As you can tell, I LOVE our reunions. I am not exaggerating. They are some of the finest things I do and enjoy. Thank you, thank you, and thank you, for keeping our reunions alive and on schedule.

Regarding June 28th - 29th: I've a tentative OK from Mark Hearn, Kerry Hodge (Thede) Bill Schumacher, Tim McDonnell and will soon connect with Tim Anderson. Brooke Bullmore (don't know her maiden name right now) is an Oregonian, so I should be able to get word to her via Bill S. or carrier pigeon.

Let me know if I can help out in any way, though I'm a bit long distant. I did read that I am the MC. I'd be honored and if there is anything structured let me know. If not I will create a "presentation" and certainly draw attention to your fine efforts.

Oh, by the way, here's an advance of the stock answer I have (we all have one like this) in preparation for the reunion:

" Live in Oregon. Married, two kids, 4 and 2 years old. We know who the father is. Feel very old to have such young kids. Publish fly fishing guidebooks. Haven't seen Tim Ferrell or Bob Bow since '74- '76. Was intimately involved in the senior prank of stealing the kiosk and turning it upside-down. Can name names on this. Yes, I did climb the flag pole and place a tire around it. Still haven't told my Mom the half of all we did."

OK, your turn.

I did note you still hold a Gunn H.S. track record! You are a fleet one.

Finally,

Thank you, thank you, thank you, thank you,

David Banks

P.S. Thank you.

Dear Hank,

June 30

I just wanted to express my appreciation for all the hard work I know you put in to make this past weekend's reunion a whopping success. I know how much effort it is to put together such an event (events with the picnic), and I also know how many people think they're done by magic.

Thank you so much. I had a great time, and look forward to 35! Edward Eldin
