

Hello Gunn Class of '73!

We are just 4 months out from an incredible Reunion weekend.

The committee is expanding as we plan out the final details of the weekend's events.

Dave Banks has joined the committee and will act as our MC for Friday night and Saturday.

Mike Jurian (class of 1972, married to Alice Cole class of 1973) will be our DJ.

Francie Hogle is preparing a tribute to classmates that have passed.

Mark Hearn is also putting together a surprise or two.

If you are interested in helping with decorations, registration, and other needs, please let us know.

So it's time to register! Remember, the price goes up beginning in August.

Please go to the Gunn Class of 1973 on facebook to see full announcement and comments from classmates
