

Dear Classmates,

It's hard to believe that we are less than 7 weeks away from our 50th Reunion!

Lots of planning is taking place and we are excited to see everyone.

As promised, here is the latest update:

We have almost 120 classmates signed up to attend!

The deadline to get your money was August 1 and we had a flurry of last minute signups.

Nothing like a deadline to get people moving!

We don't want anyone who might be on the fence to miss out, so...

We have extended the deadline for the \$73.00 registration to August 23.

If you want to sign up, or know of someone, this is the time!
