

Henry M Gunn

Alma Mater
1973 Reunion Version

Reunions are a time
To celebrate and cite
What we accomplished
In our youthful might
Successes we did have
Mistakes we made a few
Made us what we are today
Titans through and through

Our friendships we did make
From 50 years gone past
Are proven today
We made them last
This special bond of ours
Born from our Gunn High
It shall never bend or break
Till the day we die

As long as tall oak trees
Touch the deep blue sky
We'll always be true
To our Gunn High
As each of us departs
Our memories will fly
With our alma mater
Gunn Senior High

Be true to OUR school
