Dear Mr. Nelson,

At this late date and with the memory of a wonderful trip several months past, we do wish to thank you for all you did in making the '64 Olympic Tour available to us. Our only regret was that we didn't get to meet you.

The Track and Field Tour group was such a congenial group, and we are looking forward to meeting many again in Mexico City in '68. We are enclosing \$100 reservation for two for Mexico.

We were delighted with our stay at the Japanese Inn and happy with the experience necessitated by a switch from the requested Western accommodations. The few things we were critical of at the time are insignificant now that they are past.

The banquet at the Hotel New Japan may not have satisfied a hungry American, but it did give us a taste of Japanese food!

Thanks again for all your trouble in getting us on the '64 tour. We'll never forget it.

Most sincerely,

Willard and Katherine Schell

Dear Mr. and Mrs. Schul,

It will be very nice to have you on our Olympic tour again, and this time I will be there for sure. I'm glad you enjoyed our group and the trip.

I had a chance to visit with Bob and his wife last weekend. He's running very well, especially with such little background, and I expect he'll break some records before the year is out. And he's doing good work as a representative of the athletes in AAU affairs. It's an important concern and we're lucky he takes the interest.

They are a very fine couple.

Thanks, and best wishes,

Bert Nelson
