AZTECS WIN COLLEGE TITLE; KENTUCKY LAD ROMPS IN 440

San Diego State won team honors, while Jim Kemp of Kentucky State turned in the most impressive individual performance as the NCAA college division track and field championships closed Saturday at Veterans Memorial Stadium in Long Beach.

The Aztecs scored 67 points, with Luther College of Decorah, Ia., second at 46 and Cal Poly of San Luis Obispo third at 45½.

Kemp, a 20-year-old sophomore at the Frankfort, Ky., school, ripped off a 46.1 quarter to erase the meet record of 46.6 he set in the trials Friday and equal the year's fastest clocking anywhere. Ullis Williams of Arizona State and Theron Lewis of Southern attained that clocking earlier in the season.

Prep Record

Several sanctioned high school events were contested — and Cespi of Encino proceeded to shatter the national interscholastic 4-mile relay mark of 17:42. The combine of Don Bowler, Jim Romaine, Mike Kearns and Dave Saylically did 17:41.2.

Joining Kemp in the meet mark category were Lee Johnson of Redlands, who put the shot 57 feet 4 inches to erase his 57-3 of last year, and Ben Laville of Cal Poly SLO, who upped the javelin standard from 223-9 to 235-9.

Two iron men stunned the sparse gathering of watchers.

Gene Takle of Luther, after winning the 6-mile grind Friday, came right back to take the 3-mile race Saturday and finish second in the 3,000-meter steeplechase. Thus, within 24 hours, he ran almost 11 miles, not to mention hurdles and water jump of the steeplechase.

Tate Keeps Busy

Norm Tate of North Carolina College won two events and scored in two others Saturday. He took the long jump with 24-10, the triple jump with 51-7 1/4, finished fourth in the 220 and fifth in the 100.

Darel Newman of Fresno State repeated in the 100, leading all the way to edge Ed Roberts of North Carolina College by a foot in 9.5. Roberts boomeranged to capture the 220 in 20.6 (Newman wasn't in it) though bucking a headwind down the stretch.

All athletes who finished in the first six became eligible for the NCAA University championships at Berkeley next weekend — providing they have met minimum qualifying requirements sometime during the season.
