After rain outs for two weeks in a row, the Fresno State College track and field team will be trying for their first competition of the Season, Saturday, when they face the Sacramento State squad in Sacramento.

FSC coach Dutch Warmerdam said that his charges have been working hard in work-outs and are in excellent shape and that he is looking forward to see what they can accomplish under fire.

A team of eight FSC freshmen, led by Erkki Mustakari, will also compete at Sacramento in a concurrent meet. Mustakari, who has a best of 16-9 in the pole vault, is expected to set a new FSC record for the event in his first outdoor competition for the school. The current FSC record in the pole vault is held by Bill Allen at 15-3 1/2.
