In 1922 Active 20 - 30 Club of Sacramento #1 was founded by a group of young businessmen. Throughout the years the club has participated in a variety of community activities with the primary emphasis being to serve youth.

Among the many projects this organization supports is the annual Inspiration to Youth Award, Big Brothers, Muscular Dystrophy, Underprivileged Children's Christmas Party, Golden West Invitational Track Meet, and various special needs relating to youth activities.

The local club was the first club of what today consists of an international organization totaling 275 clubs. They are located throughout the Western United States, Canada, and 10 South American Countries.

Jesse Owens is considered by many sports experts to be the greatest track and field star of the half century.

He is a resident of Chicago, Illinois, where he devotes much of his time to underprivileged youth, as a board member and former director of the Chicago Boys' Club, an organization serving 1,500 youngsters. He was for five and a half years the Sports Specialist of the Illinois Youth Commission.

The former Olympic star is currently making public appearances and speaking engagements before youth groups, civic meetings, PTA's, sports banquets and giving commencement addresses for schools and colleges throughout the country.

He is now a partner of OWENS-WEST & ASSOCIATES, a Public Relations and Consultant firm, which operates a Consumer Market and Research Service.

In 1955, the U. S. Department delegated Owens as America's "Ambassador of Sports" and sent him on a two month good-will tour of the Far East. The following year he went to Australia as one of the personal representatives of President Eisenhower at the 16th Olympiad.

Owens' athletic career began in 1928 at Cleveland, Ohio, where he set new world records for junior high schools by jumping 6 feet even in the high jump, and 22 feet 11 $\frac{3}{4}$ inches in the broad jump.

During his high school days in Cleveland, Owens won all of the major track events, including the State championship for three consecutive years. At the National Inter-scholastic School meet in Chicago, during his senior year, he set a new world record for high schools by running the 100 in 9.4 seconds to tie the accepted world record, and he created a world record in the 220-yard dash running it is 20.7 seconds. A week earlier he had set a new world record in the broad jump by jumping 24 feet 11 $\frac{3}{4}$ inches.

During his freshman year at Ohio State University, Owens set a world record in the 60 meters at 6.2 seconds and created a new record of 6.1 seconds in the 60-yard dash.

As a sophomore, he had the distinction of being the only track and field athlete in history to set three world records and to tie the fourth in a single track meet. He ran the 100-yards at 9.4 seconds to tie the world's record and set world's records in the 220 at 20.2 seconds, the 220 low hurdles at 22.6 seconds and the broad jump at 26 feet 8 $\frac{1}{4}$ inches.

At the 1936 Olympic games held in Berlin, Germany, Owens gained international distinction with a dramatic victory that set new Olympic records, by winning individual titles in the 100-meters, 200-meters and broad jump, and running on the victorious relay team.

Today, more than 30 years later, the same Jesse Owens continues in the front ranks of athletes, and was acclaimed in 1960 "The Champion of the Century". He has gained respect and honor, not only for his achievements as an athlete of unparalleled skill and ability, but also because of his many and varied activities in community services.

His experience with youth all over the world has brought into sharp focus for him the needs and problems of young people everywhere. His major concern is doing his full share to make available better and more complete educational opportunities for all youth. To this end, "The Jesse Owens' Educational Foundation" was established.

We share with our pride in having Jesse Owens as the Honorary Referee of the 1967 Golden West Invitational Track meet.

"THE JIM RYUN STORY"

Now you can enjoy the complete, exciting story of Jim Ryun's fabulous running career. As a high school freshman he didn't make the team—as a college freshman he smashed the world record. It's all here in a fascinating biography by Corder Nelson—the how and the why, the color and emotion, the ups and downs. With extensive and revealing quotes from Ryun himself, his coaches, and other associates. Featured are dozens of magnificent photos, on and off the track, by Rich Clarkson, who has taken thousands of pictures of Ryun from his first season through the 3:51.3. Probably no track biography has included such extensive photographic coverage.

Every Runner, Coach and Athlete Should Own This Book.

Proctor Leaps 26-5 $\frac{3}{4}$ in Golden West Meet

SACRAMENTO (AP) — Strongboy Carl Salb of Crossett, Ark., set a national prep record of 69-6 in the shot put Saturday night, opening the Golden West Invitational track and field meet for many of the nation's top high school athletes.

Salb's heave broke the old mark of 69-3, established by Olympic gold medal winner Dallas Long of Phoenix in 1958.

Jerry Proctor of Muir High in Pasadena, long

jumped 26-5 $\frac{3}{4}$, but the leap was wind-aided and therefore no record. Proctor holds the national prep mark of 25-7.

Two speedsters tied national records, but their times were aided by a stiff breeze and won't count as records. Billy Gaines of Mullica Hills, N.J., ran a 9.3 100, and Bill Tipton of Pontiac, Mich., sped 13.4 in the 120 high hurdles, with Proctor second.

SHOT PUT — 1. Carl Salb (Crossett, Ark.), 69-6 (batters national prep record, old mark, 69-3, Dallas Long, 1958); 2. Steve Wilhelm (Sunnyvale), 65-10; 3. John Buehler (Whittier High), 64-1 $\frac{1}{2}$.
120HH — 1. Bill Tipton (Pontiac, Mich.), 13.4; 2. Jerry Proctor (Muir of Pasadena), 13.7; 3. Marcus Walker (Wichita), 13.7.

TWO MILE — 1. Pete Romero (Reedley), 9:02.5; 2. Mike Lyons (Portland), 9:03.9; 3. Steve Aquires (Portland), 9:09.8.

880 — 1. Dave Morton (Houston), 1:57.8; 2. Jim Jackson (Brooklyn), 1:51.8; 3. Art Martinez (Wilson of Los Angeles), 1:52.2.

100 — 1. Bill Gaines (Mullica Hills, N.J.), 9.3 (equals national prep record, Gaines, 1967); 2. Jim Green (Eminence, Ky.), 9.4; 3. Mel Gray (Santa Rosa), 9.4.

Nash Clocks Pair of 9.5s

Paul Nash of South Africa won a pair of 9.5 100 yard dashes in an all-comers track meet Saturday at Pasadena City College. The race was run in heats, and Nash won both.

100—1. Nash (South Africa), 9.5; 2. Miller (Oklahoma State), 9.7; 3. Hodge (Striders), 9.9. 220—1. Nash, 21.1; 2. James (Striders), 21.5; 3. Toomey (Striders), 21.8. 440—1. Tague (PAA), 48.6; 2. LaCore (Striders), no time. 880—1. H. Williams (Striders), 1:53.6. 3 mile—1. Newport (Hawaiian Spikeaters), 14:20.0; 2. Deines (Occidental), 14:32.0. Shot—1. Davis (PAA), 61-10; 2. Vault—Wiley (unat.), 15-0.

2,000 meter walk—Hanley (Striders), 8:57.8 (American record, old mark 9:06.1 by Bob Ramey, Athens AC, 1967).

Jerome Defeated Twice by Turner

VANCOUVER (CP) — Track stars Harry Jerome, a Vancouver schoolteacher, and Willie Turner, the 19-year-old Oregon State freshman, met twice Saturday in the 100 and 200 meter events of the Western Canadian track and field championship.

Turner won both races, each time only a tenth of a second ahead of Jerome.

Although Jerome led most of each race, Turner put on a final burst a few meters ahead of the finish line and took both events, with times of 10.2 for the 100 and 21.2 in the 200.

Cuban Figuerola Ties World Mark For 100 Meters

BUDAPEST (AP) — Enrique Figuerola of Cuba tied the world record for the 100-meter dash Saturday, clocking 10 seconds flat in an international track and field contest.

There was a following wind of 4.02 miles an hour.

Figuerola is the sixth man to tie the world record established by Armin Hary of West Germany, in 1960. The others are Harry Jerome of Canada, Horatio Esteves of Venezuela, Bob Hayes, Jim Hines and Willie Turner, all of the United States.

Clarke Wins 5,000

MONTBELIARD, France (AP)—Ron Clarke of Australia easily won his first race in Europe this year Saturday. He led all the way in winning the 5,000 meters in 13:39.6 at an international meet here.
