

# Gunn leads qualifiers

SAN MATEO — Windy conditions improved some marks and hindered others in the South Peninsula Athletic League track and field trials at College of San Mateo Tuesday afternoon.

Athletes qualified for Saturday morning's finals at the Col-

lege Heights campus in all events except the triple jump, 880, mile, two mile, 440 relay and mile relay.

Gunn's Julian Lucas came up with the day's best clocking — but it depends on what timer you ask for his mark as the watches varied from 18.5 to 19.7 in the 180 low hurdles.

Gunn coach Clay Henry had his junior clocked in 18.5 while Sequoia coach Joe Greggans had an 18.8. Most of the timers had him in the 19-flat area — but the official timers credited him with a 19.7 wind-aided mark.

Other top qualifying marks included Gunn's Keith Peters and Sequoia's Alex Christoff's 15.0 in the 120 high hurdles; Sequoia's Horace Hurst's 53.3 quarter against the wind and Gunn's Tom Anderson's 21-0½ long jump.

Although most of the league's top runners were seeded, there were a few surprises.

Sequoia's Jim Lane failed to qualify in the 120 high hurdles

after running a season best 15.3. He ran the race four times this season and won three of those races while losing to the league's best hurdler — Keith Peters — the other.

Sequoia coach Al Smith decided that it would be better for his sprinter Tim O'Connor to

stay out of the SPAL trials after suffering a leg pull two weeks ago. He said that O'Connor will probably not run for the remainder of the season.

Gunn led all qualifiers with 21 while Sequoia (15), M-A (12), Carlmont (11), Woodside (8) and Cubberley (7) followed.
