LOS ANGELES—Los Altos High School junior Chris Adams accounted for the Central Coast Section's lone championship Saturday by taking home the discus title in the 51st annual state high school track and field championships at UCLA's new tartan track.

An enthusiastic crowd of 12,340 watched Los Angeles High win the team title with a score of 22 points. The Romans had been picked to score as many as 39 points, but faltered in the sprints.

The CCS also picked up additional state meet places in the discus with Gunn's Tom Birtwhistle capturing second with a toss of 185-1 behind Adams' winning effort of 188-0, a state record for a junior.

Northern California swept the discus event as Jon Gledhill (Pacific High of San Leandro), Doyle Nelms (Porterville) and Hillsdale's Mike Davis finished 3-4-5.

That sweep had to be savored as the rest of the laurels fell on the shoulders of Southern and Central California athletes.

Carlmont's Chris Carey, the only SPAL entrant in the finals besides Birtwhistle, couldn't keep up with a record-setting pace in the two-mile and finished 13th in 9:19.0.

Ruben Chappins of Elcelsior High (Norwalk) ran a 56.0 last lap to defend his title in the two-mile with a new state meet record of 8:57.0.

Carey started in the back of the pack and steadily worked his way up to seventh in the 27-man field before sliding back as the pace quickened.

Other state meet records were set in the pole vault when South Torrance's Steve Smith went 16-0 and in the 120 high hurdles when Jerry Wilson of Fresno's Roosevelt High-zipped to a 13.7 clocking. Wilson also won the 180 lows.

Reynaldo Brown of Compton became the seventh athlete to be a three-time winner by taking his third consecutive high jump title. He repeated his 1968 feat in Berkeley by jumping 7-0.

Burlingame's Eugenio Amaya garnered some CCS points by faking second in the mile.

Serra's Lynn Swann, who qualified for the long jump finals with a 22-8¼ leap Friday, couldn't top that mark Saturday and didn't make the last cut for the finals.

# Making the State Track Meet Scene

## Trio in Action From the MPL

IN STATE meet action at UCLA Saturday were these Mid Peninsula League trackers: (left) Alonzo Emery, San Mateo High School, 22-9½ in the long jump and a sixth place finish; (center) Vince Repetto, Capuchino, 6-4 in the high jump and a tie for sixth; Mike Davis, Hillsdale, 172-2 in the discus and fifth place. Best performance by an MPLer was that of Eugenio Amaya, Burlingame, who finished second in mile in 4:13.2 after winning trials Friday in 4:11.1.

# 440 Relay Title Won By Knights

Cont. from 1st Sports Page

Berkeley miler John Dean and low hurdling teammate Kirk Davis distinguished themselves with good times as three records fell and two were tied.

While Los Angeles' Romans were having a holiday, scoring 22 points to win the team title for the first time since 1920, new standards came in the pole vault, two-mile and 440, while those in the high jump and high hurdles were tied.

Roosevelt of Fresno, whose Jerry Wilson equaled the high barrier mark with a 13.7 victory and also took the lows in 18.3, finished second with 16 points.

Central of El Centro, with Willie Robinson doubling in the sprints, and South Torrance, whose Steve Smith defended his pole vault title with a record 16-foot effort, tied for third with 12 points.

Ruben Chappins of Excelsior repeated as the two-mile champ by turning in a 55.9 final lap to win in 8:57 in a race that saw the first three runners finish under nine minutes.

Three class and age records fell while Chappins was bettering the eight-lap mark by 3.5 seconds.

Larance Jones of Lemoore took the quarter in 46.6, a tenth of a second under the record, and Olympian Reynoldo Brown went seven feet, equaling his own CIF mark, to win the high jump for the third straight year.

Castlemont's relay time is the second best ever in the Eastbay, missing by 2-10ths of a second the Knights' second place finish last year.

# Missed Mark, But Knights Won Race

LOS ANGELES — Harris Flowers was only partly right in his prediction, but he's not shedding any tears over the part he missed.

"We're aiming for 41.8 in the trials, 41.4 in the finals," the Castlemont track coach related Friday morning at the Oakland International Airport while waiting to board a flight here. "We can beat those southern teams."

The Knights missed equaling the projected time by a 10th of a second in the Friday afternoon trials for the 51st State High School Championships, and by 4-10ths in the finals yesterday at UCLA.

But Flowers, as well as juniors Quentin Pruitt, Milton Turner, James Irvin and Charles Gibson, were all smiles anyway when the latter flashed across the finish line first in the 440 relay.

Not considered a serious threat because their previous best time was 42.1, the Knights thus avenged their narrow defeat by Centennial of Compton in last year's

A disappointed third

meet. Castlemont clocked 41.6 in that race.

A very dejected Jon Gledhill of Pacific "was dipping my arm, not getting enough height to my throws" and finishing third in the discus at 179-1. The mark is 10 feet below his best of the season.

Bill Hammett of Castro Valley was replaced by Chip Hough of Saratoga in the high hurdle finals. Hammett thought he was in the race until the last minute.

"I guess they looked at the films (trials) and thought he was me," Hammett explained. "I ran 14.2 and he had a 14.4 and several people at the finish said I beat him, but there's nothing I can do now that the brass has made up their minds."

Ralph Ligons of Pittsburg was running well in the 100 field until he appeared to suffer a muscle pull about 15 yards from the tape.

Sam Hampton, the 14-7 vaulter from Berkeley, said he hurt himself using his new pole and was unable to make the opening height with his old implement. His ankle was swollen.

**CASTLEMONT'S CHARLES GIBSON (LEFT) ANCHORS CASTLEMONT HIGH TO 440-RELAY WIN IN STATE TRACK MEET**  
Gibson ran past San Diego Lincoln runner (center) and Edison of Stockton anchor man (far right), hit the tape in .41.8

Beaver, a junior, kicked from seventh place in the back stretch to finish third in the 880 in 1:52.8, the third best ever by an Eastbay prep. Ricco Sanchez of Canoga Park won in 1:51.6.

Clayton Valley's Bill Boze did not run due to a virus infection which left him in a weakened condition.

Seventh after the first lap of the mile, Dean steadily moved up to third but couldn't keep up with the torrid pace and eventually finished a non-scoring sixth in 4:14.8 behind the 4:12.1 victory by Decker Underwood of South Torrance.

The clocking makes the Berkeley senior the fourth fastest miler in Eastbay high school history.

With eventual team champion Los Angeles High dropping by the wayside in Friday's trials, in which Edison set a new state record of 41.4, Castlemont passed well all the way around and anchor man Charles Gibson did the job from there.

A big grin on his face with victory in sight as he boomed out of the turn and down the straightaway, Gibson passed a Lincoln of San Diego runner and fairly exploded into the tape.

Castlemont's feat was the lone triumph for an Eastbay team or individual, but Skyline half miler Jim Beaver,

"We're not done checking into this."

It seems that all the section commissioners (including CCS commissioner Lee Simms) were at the morning film session and it is their duty to tell the contestants and coaches of any changes.

But no one told Brown or Ertman until just before race time. "If he (Brown) was actually fourth and not third, that's all right. That's only fair," Ertman conceded.

"But we weren't even made aware of the fact that the race had been declared a photo finish between third and fourth place," Ertman continued.

Brown probably took it as well as anyone. "He was anxious to run," said Ertman. "I think he'll be back next year."

Brown had run 48.8 in the trials without the aid of starting blocks. "He doesn't like them," Ertman said.

"Benny has a few things to learn about running and he's going to get better," added the Jet coach. Ertman also said that Benny may go out for cross country instead of football next fall and concentrate on the 440 and 880 during the track season.

The CCS could very well be sending a pair of Browns to the state meet in the 880 in 1970 — Benny of Sunnyvale and Los Altos junior Rick.

Rick was eliminated in the 880 trials when painful shin splints slowed him down. Still, Brown

was back to run in the mile relay.

Whether he should have been required to run that 440 leg is questionable. He was running on dedication and the knowledge that he might be able to gut it out and get the Knight relay team into Saturday's finals.

Had Brown been able to hang on to third place and qualify the Knights, it's doubtful he would have been able to run in the finals.

The meet did produce its share of records and exciting events. The most exciting was the two mile where defending champ Rueben Chappins of Excelsior High ran 56.0 on his last lap to run away from the field in a new state meet record of 8:57.0.

Other state meet records were set in the pole vault when South Torrance's Steve Smith went 16-0 and in the 120 high hurdles when Jerry Wilson of Fresno's Roosevelt High zipped to a 13.7 clocking. Wilson also won the 180 lows.

In the two mile, Carlmont's Chris Carey started in the back of the pack and steadily worked his way up to seventh in the 27-man field. But Carey couldn't match the pace and slid back to 13th by the end of the race. Carey has been ill.

Reynaldo Brown of Compton became the seventh athlete to be a three-time winner by taking his third consecutive high jump title.

LOS ANGELES — An underrated quartet of Castlemont High School juniors surprised the experts by winning the 440-relay to open the 51st High School Track and Field Championships at UCLA yesterday.

The Knights' 41.8 triumph, probably aided by some bad baton exchanges from a record-setting Edison of Stockton team, came in the opening event of the California Interscholastic Federation meet with 12,340 spectators in the stands.

## Runs 440 in 46.6

Special to The Examiner

LOS ANGELES — Prohibitive favorite Los Angeles High came on strong in late events to beat off a field of upset-minded central and southern California schools to score 22 points and win the 51st CIF State Track and Field meet yesterday before a packed house of 12,500 at UCLA.

Roosevelt High, led by double hurdles winner Jerry Wilson, was next with 16 while Central High of El Centro was third with 12.

Three meet records were broken and two tied in another meet that provided slim picking for Northern California schools which were led by Castlemont of Oakland and Los Altos, both with six each.

The Castlemont Knights scored their points early in the 440 relay when Quintin Pruitt, Milton Turner, James Irvin and Charles Gibson upset a favored field in 41.8 seconds. Chris Adams of Los Altos won the discus with a toss of 188 feet in an event dominated by northern and central California schools. Tom Birthwhistle of Gunn was second at 186-1 and Jon Gledhill of Pacific, San Leandro third at 179-1. NorCal boys took the first five discus spots.

San Francisco schools were limited to a pair of fifth places — Derreck Kelley,

Mission, 14.4 in the high hurdle hurdles, and Willie Eashman, Washington, 4:14.4 in the mile.

John Pettus of Washington appeared to be a winner in the 220 with a 21.5 clocking, but was disqualified for running out of his lane.

Oakland made a representative showing in four other events that saw junior James Beaver place third in the 880 at 1:52.8; Audie Murphy placed fifth in the 220 at 21.9 and the Oakland Tech mile relay foursome that came in fifth at 3:19.6.

Ruben Chappins of Excelsior, Norwalk, led an array of record shattering two milers with a strong finish in 8:57.0 to erase the old mark of 9:00.5 set by Pete Romero of Reedley in 1967. Two others also were under nine minutes, Ron Johnson, Torrance, 8:59.0, and David White, El Modena, 8:59.8.

Two other records were set. Steve Smith, defending pole vault champion from South Torrance cleared 16 feet and Larance Jones of Lemoore blazed to a 46.6 clocking in the 440 yard run.

Wilson tied the high hurdles record of 13.7 for the second straight day en route to his double while Reynaldo Brown of Compton joined seven others who have won a state crown three straight years with a record-tying 7-0 effort in the high jump.

Other Bay Area place winners were Greg Redmond, Ygnacio Valley, who cleared 6-6 to tie for third in the high jump, and Kirk Davis, Berkeley, fourth in the 180 low hurdles at 18.8.

## NorCal Stars Make Strong Showing

By Tim Gartner

Los Angeles

"WE LOST the races we should have won, and won the race we should have lost."

So said one perplexed, but happy, Los Angeles High School student after the Romans won the California State High School Track Meet Saturday at UCLA. Coach Ed Bravo's LA team won with 22 points, considerably less than some pre-meet predictions.

Still, it was enough as surprising Fresno Roosevelt came in second with 14 points, mainly on the strength of a brilliant double win by hurdler Jerry Wilson.

Los Angeles High, which hadn't won this meet since 1920, was expected to run 1-2 in both sprints, win the pole vault and the 880. That would have given the Romans a minimum of 32 points. Although they didn't accomplish any of these desired goals, students vigorously waved signs declaring a "Roman Holiday."

Instead, LA finished second in the vault and 880, took third and fourth in the 100 and had a lonely third in the 220. The unexpected win came in the closely contested mile-relay, which the Romans won in an exciting 3:15.2, identical to runnerup Centennial's (Compton) time.

NEVERTHELESS, LA's win was expected, though the point-spread was not. The authentic surprise was the superlative performances of Northern California athletes, who won a third of the 15 events in this 51th meet in which three States records were set and another two equaled.

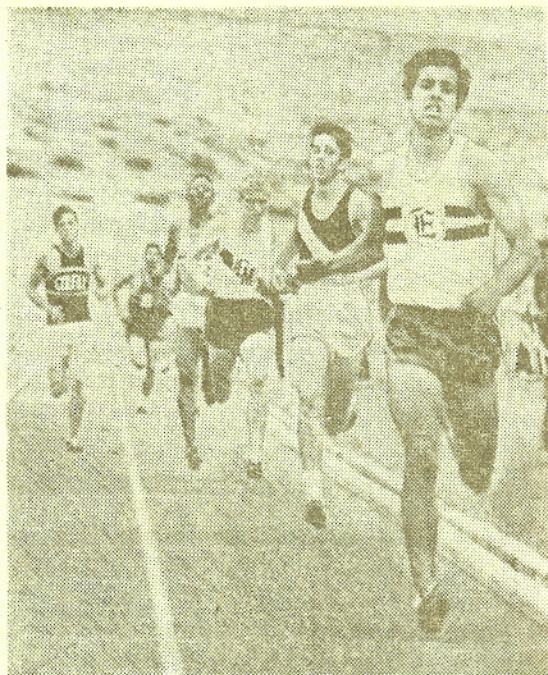

The meet had been figured to be an exclusive Southern California showcase this year. But, before 12,340 at the Saturday finals, the predominately Los Angeles crowd reserved some of their biggest ovations for the extraordinary feats of NorCal athletes.

Wilson's double in the 120 highs and 180 lows naturally was in the vanguard of the NorCal efforts. His high hurdle time 13.7 equaled the Meet record set by Jerry Proctor of Pasadena Muir in 1967 and matched by Wilson and LA Washington's Charles Rich in the trials. His superlative 18.3 in the lows was 4/10ths better than the listed record on a turn and only 1/10th off the straightaway mark set by Manuel Murrell of Long Beach Poly in 1965. For his exceptional performance, Wilson, who is headed for Fresno City College, was named the meet's outstanding athlete.

LARANACE JONES of Lemoore, bound for Fresno State set one of the three records. He breezed to a ridiculously easy win with a 46.6 440. This beat runnerup Bill Sims of Whittier, who had a best of 47.1 this year, .9 of a second. It also bettered by .1 the record held by two others.

Chris Adams, a junior at Los Altos, led a NorCal sweep in the discus with a toss of 188-0, his best this season. NorCal's other win came in the 440-relay where Castlemont of Oakland surprised everyone by winning. The Knights had finished second in their

qualifying heat in 41.9 and had only a best of 42.3 this season. Smooth baton passes and hustle, though, enabled them to run 41.8 and barely edge Lincoln of San Diego, whose time was identical.

The three defending champions were involved in the three remaining records. Vaulteur Steve Smith of South Torrance went 16-0, two-miler Ruben Chappins of Norwalk Excelsior ran 8:57.0 and Olympian Reynaldo Brown from Compton cleared 7-0, equaling his high jump record, and won the event for the third straight year.

SMITH BROKE the old mark of 15-6½ set by Paul Wilson of Downey Warren in 1965. LA High's Robert Pullard, national co-holder of the prep record at 16-7, finished second, making 15-6, but missing three times at 16-0. Chappins ran the most thrilling race. He stayed in fourth or fifth place for the first seven laps, then sprinted the final 440 in 55.9 to win. His time was 2½ seconds better than the 9:00.5 set by Reedley's Pete Romero in 1967. The pace was so fast that the second and third place finishers also were under the old record.

San Francisco athletes managed two fifths. Washington miler Willie Eashman ran a career best of 4:14.4, only 2.3 seconds off the winning time and Mission hurdler Derrek Kelley ran 14.4, .4 slower than his qualifying time, in the 120 highs. Washington sprinter John Pettus was sixth in the 100 at 10.0 and was disqualified in the 220 around a curve for going out of his lane (thereby running less than the full 220). He had the fastest time, though, 21.5.

lister was the long jump titlist at 24-2¼ and Santa Barbara's Sam Cunningham won the shot at 61-2. McAlister and Cunningham were both all-CIF running backs in football last season.

Buss could handled despite a narrow miss on his final attempt.

Orange Glen's Bill Jones blistered a final 60 second quarter to grab fourth place in the two-mile run after running next-to-last for most of the race. Jones' final time of 9:41.6 bettered his own school record set earlier in the year.

Escondido's Rich Hunt with a fifth in both the 100 and 220, Martinson with a third in the 220 and the Cougars' Gary Stines with a fourth in the shot put were other varsity point winners.

Lincoln High, paced by hurdler Marion Franklin, ran away with the varsity title with 48 points.

George Allen scored a double victory to pace the Pats Cees as he won both the shot put (60-5) and the 120 low hurdles in 13.4, only one-tenth off the county record.

Rolf Steeve won the 100 in school record time of 10.4 and came back to grab second in the 180 yard dash.

Rick Grinstaff and Steve Leger provided the impetus for the Patriot victory when they went 1-2 in the high jump with Grinstaff winning.

"When we got first and second in the high jump," said an elated Coach Paul Turner, "I figured we were in because we knew what George (Allen) and Rolf (Steeve) could do. Rick (Grinstaff) and Steve (Leger) really did a job."

The Pats also placed second in the 440 relay with the team of Steeve, Allen, Ralph Hager, and Paul Gibson.

## *Lone local winner*

Vista High School's Blake Martinson, shown here in the prelims, was the only Inland North County winner in varsity competition during the CIF, San Diego Section, finals Thursday night. He long jumped a fine 22-10.

SAN DIEGO — Blake Martinson could have gone as number two but will go as number one. Jerry Plunkett made it look easier than it really was to go as number two; and Don Buss almost didn't make it all.

All three athletes will be in the state high school track meet June 6 at UCLA following outstanding performances in the CIF, San Diego Section, track finals in Balboa Stadium Thursday night.

There is no state meet for Class C, but the Patriots of Orange Glen proved without a doubt that they were the best in the county as they copped the Class C crown with a total of 36 points compared to runner-up Santana's 16.

Lincoln High won its fourth straight varsity title, beating second place Oceanside by an overwhelming 30 points, 48-18, and Oceanside took the Class B title.

With the first two finishers in each varsity event advancing to the finals, Vista's Martinson

was a cinch qualifier in the long jump as he was in second place with only one jump remaining. The Panther senior had grabbed the early lead with a jump of 22-5 only to see Granite Hills' Daryl Gatheridge go one-quarter of an inch further.

After being number one all year, Martinson wasn't about to take a back seat now and he sailed 22-10 on his final attempt for the county crown.

Plunkett from Vista and Escondido's Buss will both go as number two but still came up with their lifetime bests in the 880 and pole vault, respectively.

Plunkett, using the finishing kick for which he is becoming noted, easily passed four runners in the stretch to finish second to Madison's Pat McCallion who won in 1:54.2. Plunkett's time of 1:54.7 bettered his previous best of 1:57.0.

To show just what kind of race the half-mile was, Escondido's Jon Crossen was timed in a new EHS record of 1:36.0 but could finish only in sixth place. His effort broke the old mark of 1:57.6 set by Ed Mathews in 1963.

The Cougars' Buss found himself playing with disaster when the crossbar reached 13-9 as El Cajon's Landis Bender was already over and Fallbrook's surprising Chet McGaugh had gone 13-6. Buss missed his first two tries at the height and another miss would have given the second spot to McGaugh on the basis of fewer misses.

McGaugh will stay home, however, as the Cougar captain made the height on his final try and then vaulted a lifetime best of 14-0.

Bender then went over the bar at 14-3 which was more than

Films of the finishes revealed the following changes in official placings at the 51st California Interscholastic Federation championships:

Frank Roe, Edison of Stockton, was fourth in the 100 instead of Los Angeles' Ronnie Welch; Edward Bonner, Del Oro, beat John Banks of Fresno Roosevelt for fourth in the 440; Centennial of Compton was fourth, Crenshaw fifth and Dorsey unplaced in the 440 relay.

It was Los Angeles winning its first championship since 1920.

It was three record-breaking performances and three other standards being equaled.

It was the three defending champions—Excelsior's Ruben Chappins, Compton's Reynaldo Brown and South Torrance's Steve Smith—retaining their titles.

It was the 51st annual California State track and field championships at UCLA Saturday. And it was all that and much more before a capacity crowd of 12,340.

Each event was exciting—from Ricco Sanchez' courageous triumph over James Baxter in the 880 to the mile relay in which Baxter turned in a 47.9 anchor leg to bring Los Angeles the victory in 3:15.2.

Despite taking the title with 22 points, Los Angeles won only that one race. But the Roman supporters were not too disappointed and cheered lustily when coach Ed Bravo accepted the team championship trophy.

The record-breaking efforts were by Chappins in the two mile (8:57.0), Smith in the pole vault (16-0) and Larence Jones of Lemoore in the 440 (46.6).

Chappins, noted for his overpowering kick on the last lap, did it again Saturday. He ran the final quarter in 56.4 in defeating a pair of juniors, West Torrance's Ron Johnson (8:59.0) and El Modena's Dave White (8:59.8), both of whom broke the old record of 9:00.5 by Pete Romero of Reedley in 1967.

Smith cleared 16-0 in topping the standard of 15-6½ set by Warren's Paul Wilson in 1965. The

pre-meet favorite, Robert Pullard of Los Angeles High who cleared 16-7 last week, could do only 15-6 and finished second. Smith has now defeated Pullard in all four of their meetings.

Jones, who was third last year, ran right past Whittier's Bill Sims in the stretch to win easily and lower the record by one tenth of a second.

The record-tying efforts came in both hurdles by Roosevelt of Fresno's classy Jerry Wilson—and by Brown, with a 7-foot leap in the high jump.

The victory for the unflappable Brown gave him his third straight championship. He is the seventh athlete in State history to perform that feat.

## Rich Edged

Wilson took the 120 highs in 13.7, edging Washington's Charley Rich and then clocked 18.3 in the 180 lows to beat out Jones, who did 18.4.

Along with Wilson, El Centro sprinter Willie Robinson also claimed a pair of victories, winning the 100 in 9.6 and then taking the 220 in 21.7 when the apparent victor, John Pettus of Washington of San Francisco, was disqualified for running out of his lane.

Another disqualification occurred in the 440 relay, won by Castlemont of Oakland in 41.8. Edison of Stockton, which set a state record of 41.4 in the heats, had trouble with its final pass and accidentally stepped into the infield, causing its ouster.

Three other events were also won by Southland entrants. South Torrance's Decker Underwood produced a strong effort in taking the mile in 4:12.1; Blair junior James McAlister was the long jump
