COMPETITOR INFORMATION

HAROLD WILLIAMS -- winner of 100 yard dash in 9.5  
-- His time equals the AAU Jr. Olympic record for this event which he set last year at the University of Tennessee.  
-- 2nd gold medal in two years  
-- next year he will go to the University of Texas at El Paso, where he will be coached by Wayne Vandenburg.  
-- He intends to study economics or business in college  
-- "There was a little pressure on me here, much more than last year. People were kind of expecting me to do really well. I just wish I'd bettered the record."  
-- This weekend he will compete in the National Relays on Randall's Island, N.Y.

STEVE WILLIAMS -- winner of 440 yard dash in 48.1  
-- friend of Harold Williams, often competes against him  
-- in their Association meet, Steve beat Harold in the 100, but in the Regional, Harold took the 100 and Steve went on ~~to~~ to the 440.  
-- also will attend UTEP next year, to be coached by Vandenburg

BOTH boys hope to make places on the 1972 Olympic team
